## Editor's Notes

Spring has finally arrived on the calendar, but apparently the snow clouds are operating on a different schedule. But as all of us in the mid-central part of the United States know – this is only temporary. We will soon be readying those mowers and trimming the bushes.

The focus of the next couple meetings will be outside events and elections. Within this publication you will find nomination forms. Please complete and mail to the secretary. The

address will be on the nomination form. You do not even need to use the form, just call one of the officers and tell them of your intention. Ballots will be mailed in April for the April election which is officially on April 29.

Are you interested in having a club windbreaker or other wearables? See within this newsletter for more information.

The next meeting is scheduled for March 25, 2010, 7:00 p.m. at Superior Chevrolet. – Editors

## Club Apparel

Are you interested in wearing club items and in particular for the cooler weather a windbreaker with the club's logo? That is the question which was submitted to the members at the February meeting. It was determined these garments would cost approximately \$35.00 and hats and other items were discussed. If you are interested, please contact Rocky and/or Shari Hill at 913/915-1231 or Rockyhill@sbcglobal.net

## Club Outing

On Sunday, February 21, several members braved the winter snows to take a guided tour of Liberty Memorial in Kansas City, Missouri. As most will know, this is the only World War 1 memorials of its kind. It was reported it was a great event and those unable to attend missed a great day. Pictures and captions from the event are found on Pages 5 and 6 of this publication. Photos and credits submitted by event coordinator Shari Hill.

Upcoming events will be announced at meetings and on the club's website. Each event is chosen to be of interest for most members. If you have ANY suggestions, please contact the officers with your idea(s). They will appreciate the help.

# 2010 Club Elections

It is once again time to vote on a Governing Board for the organization. Each year, every position expires and those desiring to seek office are encouraged to add their name to the ballot. Experience is not necessary. This is an entry-level job and experience is gained by “doing.” Most certainly, the newsletter editor position will need to be filled. Please complete the nomination form or call or e-mail Ted Farley, Secretary, or Debra Gragg, Newsletter Editor, to have your name added to the ballot.

Elections take place, as required by the Club’s by-laws, at the general meeting of the organization each April. Ballots will be provided in the April newsletter and may be mailed if member is unable to attend the meeting. Running for office for the club is cheaper than running for President of the United States – no filing fees, no television commercials unless you choose to spend your dollars in that manner.

Now is the time to come to the aid of your club – seek a seat on the Board.!!

## February 25, 2010 Minutes

Rocky Hill suggested ballots be mailed to all members as opposed to including in the monthly newsletter.

The members discussed adding the club's profile to Facebook.

The recent club tour of the Liberty Memorial was discussed. It was reported there was a good turnout for viewing the World War I memorabilia which was very educational and overall a good event.

The Treasurer's Report was accepted. Eugene Hallouer reported there are currently 44 paid memberships.

The members present discussed the 2010 Mid-America Regional and agreed to leave the pricing as was in 2009. Rocky Hill stated he is pondering creating a contest for the "vehicle" on the show T-shirt.

The 2010 Chevell-A-Bration was discussed. It was suggested forming a caravan to attend the show. More information will be available in the next couple months leading to the show.

Shari Hill asked if there is desire for another outing. She suggested touring the Kansas University Natural History Museum in Lawrence, KS and then following up with food at the Free State Brewery.

Members briefly discussed monthly cruises and suggested traveling to Johnny Rays in April. More information to come.

Shari Hill asked if there was any interest in club windbreakers. It was suggested to place an article in the newsletter to ascertain interest.

Debra Gragg stated the fliers will be ready for April events and will be posted on the club's website. Rocky Hill is working with ACES to obtain names and addresses within an identified area to mail fliers to ACES members.

The meeting was adjourned at 8:00 p.m. with many members cruising to Old Shawnee Pizza.
