1969 Chevelle. Car is not fully restored, but could be identified as a pro-street. The car has had \$28,000 invested, but would entertain reasonable offer over \$21,500. Car is stored in Gardner, Kansas. Contact Walter Burkhart via his son, Dylan at 913/549-6936.

Editor's Notes

Ah, the wonderful spring month of April has finally broken the COLD winter weather. The birds are chirping, the grass is rustling, the leaves are budding, and the thermometer has finally gone above 32°. It's time to pull out the sleeping motors and show them the winding ribbons of Kansas and Missouri (or whatever state you are in). The club has several activities in plan and the September car show is progressing. The flier has been e-mail to many and is posted on the club's website. So far, three applications have arrived. But before that, many other events and activities are in store.

First, most of the membership will expire at the

end of April. Please note if your name is on the list and get your renewal into Eugene Hallouer, or bring to the monthly meeting on April 29. Next, the 2010-11 election will be held on April 29.

A ballot was e-mailed to members with active e-mails and mailed to others. You still have a chance to add your name to the ballot on April 29 prior to the official collection and count.

There are several car related events, including tours, shows, cruises, swap meets, and club apparel which will be topics of discussion at the next meeting. If you have suggestions, PLEASE share – everyone will appreciate.

Enjoy the wonderful weather – see you on the 29th. - Editors

Household Hint

FOGGY WINDSHIELD?

Don't you hate having a foggy windshield? Go to your stationery store and buy a chalkboard eraser. Keep the eraser in your glove compartment of your car. When the windows get foggy rub with the eraser! Works better than a cloth.

2010 Club Elections

As most should be keenly aware, the 2010-11 Election is HERE. By this time, you should have received a ballot either via e-mail or through USPS. PLEASE take the time to print, vote, mail to Ted Farley, or bring to the meeting on April 29. It is your club – you can make a difference by making your mark!

March 25, 2010 Minutes

The meeting was called to order at 7:00 p.m by Chair Rocky Hill. Introductions of those present were made in addition to updates on various members' projects.

The minutes were approved as presented in the newsletter.

The 2010-11 elections were discussed. Nominations for positions were opened. The membership was informed ballots would be distributed prior to the election evening.

Chair Rocky Hill spoke about a contest in which the winner's car choice would be highlighted on a T-Shirt. He indicated this information would be placed on the Team Chevelle and other sites.

Rocky also informed members that he is looking into sources to print club business cards.

Shari Hill spoke about club apparel with club logo and also personalization. She will bring catalogs at the April meeting to share with members and start orders.

The treasurers' report was accepted and those present were informed there are currently 45 paid members. Eugene Hallouer, treasurer, also noted most of those memberships will expire at the end of April.

Car cruises were discussed. It was suggested that members attend the car cruise at Johnny Rays, Lee's Summit, on April 17. The members will meet to caravan at 3:00 p.m. at McDonalds at I-435 and Metcalf, in Overland Park. Rick Byfield reported that a car show would be hosted at the Gardner Middle School on April 24, 2010. Rocky Hill suggested a potential tour of a private car collection at the Armacost Museum at Grandview. He also indicated there is a private collection of cars in DeSoto and suggested this could also be a potential tour. Mike Stites indicated he would check out this potential site. Members spoke about an Open House and Pin Striping Auction at Pete & Jakes in Peculiar, MO, on May 15. Tom Meier spoke informed the members of a benefit car show for the March of Dimes at the K-Mart Distribution Center, Lawrence, KS on May 22.

Eugene Hallouer indicated he checked into an embroidery shop and noted savings would be made in multiple orders. Rocky Hill stated this information and information gathered by Shari Hill will be distributed via e-mail.

Dan Yuran updated the members on the Chevelle bodies currently for sale from Year One. He stated the bodies are fairly good.

Rocky Hill will check with Chuck Hanson, ACES, for a listing of members within a four-state area in order to send fliers for the September show.

A caravan to Nashville for the 2010 Chevell-A-Bration Show was briefly discussed.

Members were reminded the elections would be on the top of next month's meeting.

The meeting adjourned at 8:00 p.m. A cruise to Old Shawnee Pizza followed.

Club Apparel

Do you want to show off your club affiliation? Do you need to invest in some new attire? Well, perhaps you can do both in one (or more) articles of clothing, totes, etc. Be present at the next meeting at which time, Shari Hill will be bringing catalogs of "things" just asking to be personalized with the club's logo and perhaps some additional personalization. Costs and other details will be discussed. If you are interested, but unable to attend, please contact Shari. Her phone number can be found on Page 2 – officers section.

Members' News

Recently during spring break, Shari Hill and Little Rocky spent some time in Europe with other students from the Shawnee Mission East choir. They had a great time and took a lot of pictures. Here are a few to share with members of MACC. Editor – What a wonderful memory, wish I would have been there, too!

Coconut Cake Recipe
submitted by: Shari Hill

1 box Duncan Hines White or Yellow Cake Mix
14 – oz bag of flake coconut
1 can Cream of Coconut (Coco Lopez)
1 small container Cool Whip

Prepare cake mix as box directs, adding about 10-12 ounces of coconut. Bake in 9 x 13 pan. Pierce cake with a fork, not penetrating through to the bottom of the pan, all over the top. After the cake has cooled a little while, pour the cream of coconut over the top. Let the cake cool and ice with Cool Whip. Sprinkle on the remaining coconut. Refrigerate.

Thanks, Shari. Coconut lovers will really enjoy this very, easy recipe.
