General Information

The club is a not-for-profit Kansas corporation, dedicated to the preservation and enjoyment of all Chevilles and El Caminos. Ownership of a Chevelle or associated vehicle is not required. Club newsletters which include minutes of meetings, upcoming events, and technical articles are sent directly to members and can also be found on the club's website at <http://midamericachevelles.com>. Business meetings are convened on the last Thursday of each month, with the possible exceptions of November and December, for the purpose of discussing and planning future club events. **For the remainder of 2025 the meeting location will be at Zarda's BBQ in Lenexa on 87th Street. The meetings begin at 7:00 p.m., however the meeting room is available at 6:00 p.m. if you would like to come early to eat dinner and mingle.** Members may advertise vehicles/parts for sale, trade, or wanted in the newsletter for no charge. Contact the editor (Kirby Demott) at 913/269-4351 or khdemott@gmail.com.

Dues

Annual club dues (\$35) are to be submitted by April 30th. If you have not renewed your membership by this date, there is a three-month grace period. You can mail your dues to:

Mid America Chevelle Club
c/o Eugene Hallouer
12318 W. 61st Street
Shawnee, KS 66216

You can also renew your dues by Credit / Debit card on the club website at http://www.midamericachevelles.com/members/join_form.html. When you renew online you can also use the form to make any updates or changes to your Membership info (if you don't know your membership number that's OK). Please note that a \$2.00 convenience fee will apply when using this option.

Lastly, you can of course still join or renew by Cash or Check by simply getting with Eugene at the monthly meeting.

If anyone has any question about when their dues expire or have any trouble paying online contact Eugene at locoman@everestkc.net

A Note from the Treasurer

With another regional show under our belt, I would have to say it was one of the best. The weather was great (especially Saturday), and the quality of the cars was outstanding. 140 cars was impressive considering the number of cars shows available to go to on any given weekend and the number of out-of-town guests.

I want to personally thank everyone helping Brain and I at the registration desk, Janet, Debra, Jay, Babs, Randy and anyone else I may have overlooked. Lynn and Jon did an outstanding job with the t-shirts this year from design, production and the selling. They sold every men's shirt but one, and we still have some women's shirts available. What better gift to give to your wife or girlfriend than a show shirt for supporting you and your car hobby? They will be available to purchase at this month's club meeting.

We could not have done this show without all the other volunteers involved, from parking, judging, security, photographs, awards, poker run, cookout and everything else it takes to put on a show of this caliber. I tip my hat to you all and thanks for all the hard work involved in making the show a success. I also received nothing but positive comments from our guests about the show, which was quite satisfying.

I am still waiting for a few show expenses but should have the show financial report ready for the September meeting.

Hope to see you there.

Eugene

Meeting Minutes

MID-AMERICA CHEVELLE CLUB

Location: ZARDA'S BBQ 11931 W 87th Parkway, Lenexa, KS 66215

August 28, 2025

MINUTES

The meeting was called to order by President Verstraete and all were welcomed. We had 1 new member, Dan Avercrombie, who owns a '69 orange Chevelle with white stripes. Introductions were made and welcomes were extended.

The Minutes, as published in the newsletter, were accepted.

Brian noted that we currently have 62 pre-registrations. Volunteers are asked to meet at NFM on Thursday evening to mark the parking lot with sidewalk chalk. Please gather at 7:00 Friday and Saturday mornings to set up tents, tables, chairs, signage, etc.

In Shannon's absence Steve reviewed past and upcoming events. The October 1st Friday Cruise In will be hosted by John and Phyllis Prouty at their home. Steve noted that there will be a show in Lawrence on September 27, which was not previously on our event calendar.

Eugene presented the Treasurer's report.

There being no other business, the meeting was adjourned.

Events attended recently by MACC

August 29: Wellsville Car Show, KS

The Wellsville show is always a good one. At least ten MACC members attended with their cars this year. This year's show was dedicated to the memory of our own club founder, Dean Call.

September 5-6: Midwest Chevelle Regionals, Kansas City, KS

The Midwest Regionals were once again held in the parking lot of Nebraska Furniture Mart in the Legends shopping area in Kansas City, Kansas. Despite a little drizzle and cloudy skies on Friday, the temperature was very mild. Many participants enjoyed the conditions and had a great time taking part in the poker run, and subsequent meal, located within a beautiful shelter house at Wyandotte County Lake. The weather on Saturday could not have been any better for a car show. There were a total of 140 Chevelles, El Caminos and Sprints in attendance. There were even two 1965 Z16's present!

Everyone seemed to have a very good time at the show, and the judging and awards presentation went off flawlessly. Below are a few pictures from the events, followed by the list of awards.

To view a picture of every vehicle at the show, and more, visit our club website at <https://macswebs.com/mcrarchives/shows/mw2025/2025.htm>. A big shout out goes to MACC members Ray and Diana Harper for taking these photos, and Dale McIntosh, our website administrator, for posting them.

September 12: Michael Day DJ, Top Cars Under the Stars, Olathe, KS

A great way to spend a Friday evening is to attend the Michael Day Cruise, held almost every Friday night during the summer at the American Legion in Olathe. On September 12 cars were judged, and awards were presented to the winners as part of the Top Cars Under the Stars car show. Four MACC members participated. Those who took home awards that night include: Shannon Pickworth, Runner Up with his '72 SS Convertible, Jim Stack, Runner Up with his '40 Ford Coupe, and Byron Hurley, First Place Custom with his '72 El Camino.

September 13: Turkey Creek Car & Motorcycle Show, Merriam, KS

The City of Merriam once again put on a terrific event with their annual Turkey Creek Car Show. Our own Chuck Doyle took home the Gold Sponsor Award given out by Midwestern Mechanical, and Anna Hallouer took home an award for being voted one of the Top 20 cars of the show! No fewer than twelve members participated in the main field, with even more located in the parking lots of nearby businesses.

September 14: Shawnee Wheels & Dreams, Truck & Bike Show, KS

Another annual favorite is this show held in Shawnee Town 1929 where the field is separated by those vehicles made prior to, and after 1940. Motorcycles also have their own lot, away from those with four wheels. There are also vendors on site selling food and beverages, auto-related merchandise, and many other products, as well as business advertising their services. Entertainment is also provided by a band which performs in the same area where the awards are presented. There were over 400 vehicles in attendance, including ten MACC members.

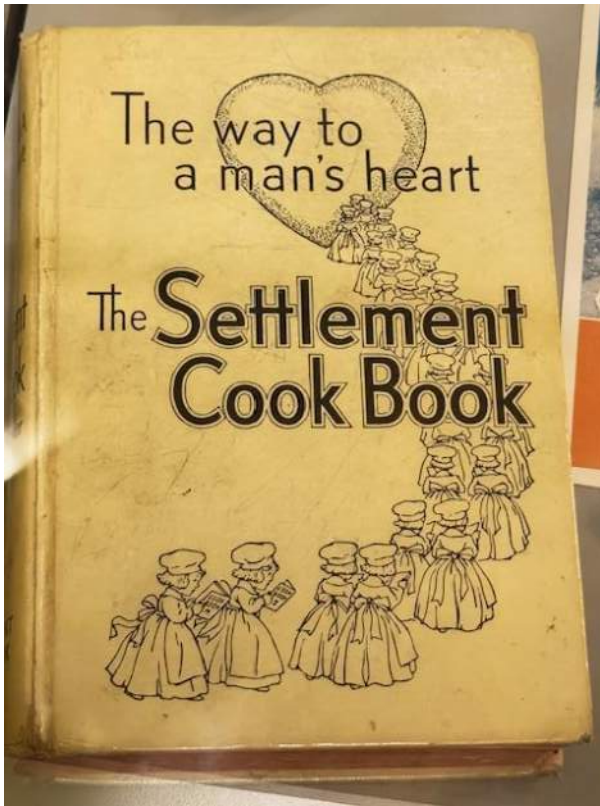

September 16: Johnson County Arts and Heritage Center Tour, Overland Park, KS

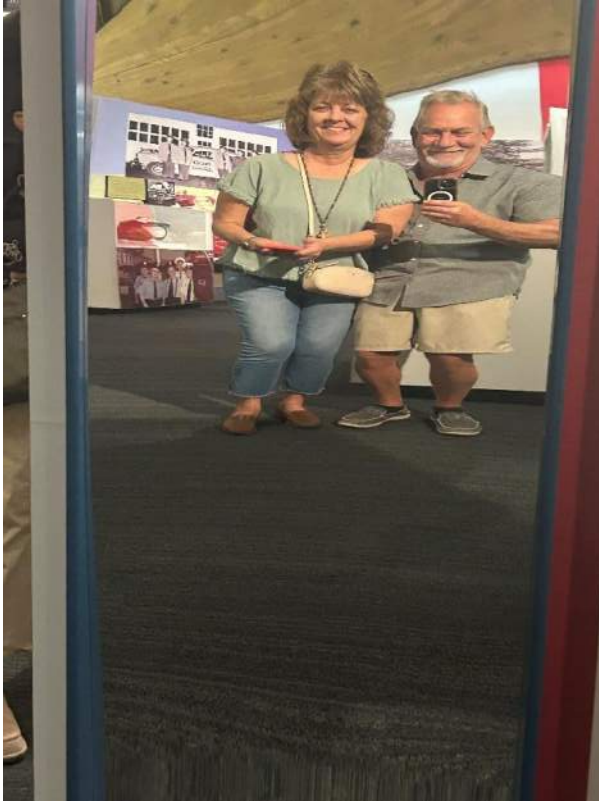

The MACC Ladies Club organized a fun trip to what is commonly known as the Johnson County Museum. Providing not only the history of Johnson County since it was settled, but also a study of suburban growth, the group found this tour very interesting

The museum is housed in the former location of King Louie, which had bowling, an ice rink, pool tables, pin ball machines, a bar, and other forms of entertainment from 1959 to 2009. It was also a popular hangout for those of us who cruised Metcalf on a regular basis back in the day.

Following the tour the participants filled their stomachs at the Atomic Cowboy located in the older part of downtown Overland Park.

Calendar of Upcoming Events 2025

Hello MACC Members,

Hope everyone is doing well. It's hard to believe we're closing in on the end of another fantastic car show season! I'm thrilled to remind you of our upcoming events that promise to bring excitement and joy to all car enthusiasts.

Mark your calendars for October 3rd, as we host our last First Friday Cruise-In, graciously hosted by John and Phyllis Prouty. Don't forget to RSVP for the party by sending John an email with your headcount at johnprouty1@gmail.com.

Following our Cruise-In, make sure to attend the Tonganoxie Auto Tech and Bike Show on October 4th from 8 am to 1:30 pm. This is a wonderful opportunity to support the next generation of car enthusiasts who would greatly appreciate your presence.

Continuing the exciting weekend, on Sunday, October 5th, the Combat Air Museum in Topeka will be hosting their Cars on the Tarmac Show from 10 am to 2 pm. This event promises great photo opportunities for your beloved cars.

Looking ahead, the Warrensburg Wheels Car Show is on October 11th from 9 am to 2 pm. This show was a big hit last year, so if you plan to attend, I suggest arriving early to secure the best parking spots.

I hope everyone has found the information provided useful this year. I'm looking forward to seeing you all at this month's events. Remember, it's never too early to start planning your "White Elephant Gift" for the Christmas party in December. Who knows who will end up with the infamous metal thong shoe in their gift package?

Finally, don't forget to send Kirby photos of the events you attend or upload them on Facebook for everyone to enjoy.

Thank you,

Shannon

A Note from our Events Planning Coordinator

Dear MACC members,

We all joined the MACC because we share a passion for classic cars, especially Chevilles. Some of us are lucky enough to have our rides on the road, enjoying car shows, sipping coffee at Cars and Coffee, and participating in cruise-ins. But for those of you who are still working on a project or looking to buy your ride and haven't pulled the trigger yet, I have some exciting news for you.

MACC is thrilled to introduce our new Ride Share Program! I often see members on the sidelines, missing out on car shows because they don't have a car or are busy working on theirs. It took me 20 years to complete mine, and I wish I had connected with the group more during that time. The wealth of knowledge shared by our members could have been invaluable during my restoration journey. Additionally, many members have parts or know where to find them to help finish your ride.

We regularly announce the shows and events the club will be attending on a weekly basis. If you see an event you'd like to attend, please don't hesitate to reach out to someone who is going. Most of us are more than willing to let you join us. Once you've connected with someone attending and picked a meetup point, it's as easy as executing the three "H" program:

Hop in

Hold on

Have fun!

It's that simple! Don't live on the sidelines waiting for your car to be ready. Join us and be part of the fun!

Warm regards, Shannon

MACC Ladies Club

To all MACC Women,

The MACC Ladies hidden Facebook page was created in December 2019. We all know what happened shortly afterward, activities were halted. With renewed interest, we are back with more activities noted on the page. To obtain membership (if so desired), there are a couple ways to access. Membership sign-up sheets will be at First Fridays and at the club meetings. Potential members can send an e-mail to Debra Gragg at debragragg@gmail.com or text to 816-223-2634. Invites will be sent out with instructions. Events will be created on various days of the week. Looking forward to adding more to our group and exciting activities.

President's Column

Roger is resting up from the Regional show, and thus taking a break from writing an article this month. He will be back in the October issue.

Vice-President's Column

MACC,

To the Committee Members and Volunteers of the 38th Mid-West Regional Chevelle Car Show,

I wish to extend my sincere appreciation for your outstanding contributions to the success of this year's show. The professionalism, time, and commitment you demonstrated were evident throughout every phase of the event, from the seamless coordination of logistics to the impressive display of vehicles that drew our community together.

Your attention to detail and dedication ensured a safe, organized, and welcoming environment for all exhibitors and attendees. The collaborative efforts of every volunteer and committee member were essential to delivering a memorable and high-quality experience.

The 38th Mid-West Regional Chevelle Car Show was not only a showcase of exceptional automobiles but also a clear reflection of effective teamwork and shared enthusiasm for the industry. The event's success is a direct result of your collective expertise and hard work.

Thank you for your professionalism, service, and continued commitment to excellence. The legacy of this event is sustained by the efforts of dedicated individuals like you.

With sincere regards,

Brian Findley

Do you have a story to tell about how you came to love Chevelles? We'd also enjoy hearing about your projects. Send them to khdemott@gmail.com to be included.

Update on Kent Scott's '70 SS 396

This is a follow up to a previous article regarding the progress on Kent's Super Sport which is currently in the process of getting a frame-off restoration. As a part of this project the exterior color is being changed from red back to the original gold, which is now starting to be applied. Kent hopes to have it back on the road by the end of 2026.
