

03/15/24

WACO Family and Friends;

Yesterday was pie day, I mean pi day 3.14.

We all need to thank Kevin Clark for the great job that he is doing on the Regional show that we are hosting this year. ksnclark@cox.net

Kevin got Don Hattan Chevrolet as a Silver sponsor for MCR 2024, Go Kevin!

Please make sure that you read the T-shirt information that is below and get what you want on order.

We have some fun stuff coming up.

Saturday April 6th we plan on meeting at xxxxxxxxxx at 10:00 am and then cruising to the National Street Rods Show at xxxxxxx. We will then cruise on to Ron Flemings house in Clearwater xxxxxx for pizza and a chance to BS with the locals as well as our other members. This has always been a fun event, so plan on attending and driving your Chevelle.

I will fill in the blanks later. ☺

This Saturday is the No Prep Street Races at Mid America Dragway. This is always a really good event to watch and some of our members will be competing in the drags.

We going to have a **WACO Chili Cookoff** this year. It will be held on **Saturday March 23rd** at 5:00 pm at Mike and Cindy's place, 11400 E Douglas. We will set up that morning at 10:00 am if you would like to help come on by. This event is always a good time so get your recipes out for your best chili, side dish or desert so you can win one of the exciting trophies. Read Becky's minutes for more information.

Also on **March 23rd** we have been invited to attend the Grand Opening of the new **O'Reilly Auto Parts store in Park City**. They would like to have as many of us as possible show up.

Don Overstake, a WACO member, has a 468 CI engine for sale and you can hear it run if you are interested.

Brian McNeil, a WACO member, has a couple of cars to sell.

I am looking to sell a couple of my cars and some parts. I have a 1970 Chevelle LS6, red automatic, that is on the LS6 registry and had a frame on restoration performed by Rick Nelson of Muscle Cars Design and Restoration. The car doesn't have documentation, but Rick has all the photos for the unit. I also have a 1971 Monte Carlo SS 454, triple black in color, with all options. It had a complete three year restoration performed on it. I have a spare LS6 engine for a 1970 Chevelle LS6 4

speed that Rick Nelson restored for me as a spare, a TH400 automatic transmission, rear axle housing for a 1970 Chevelle F41 suspension that came off a LS6 car with a date code of Jan 1970.

I'm not sure how to post this stuff or sell it, but I would like them go to good homes. Maybe you could share the above with some of the regional/local club members. People can reach out to me at my email or cell phone number if interested. Let me know about the club membership dues and I'll get those paid if I owe anything.

Respectfully yours,

Brian McNeil

Below is a picture of a 1972 Chevelle Wagon that is for sale. I think he wants 10,000 for it. I have more pictures if needed.

"72" Chevelle wagon. Rebuilt 383 with auto. 92,000 miles. No rust. Ron Macmeeken - 316-304-5714 macmeekenr@hotmail.com

I have attached a current copy of the MCR 2024 flier for your use. Print one off and when you are talking to someone that might be interested in entering the show, give it to them. Come to the meeting and we will probably have some to give out.

MCR 2024 1,000 point judging. I want to try and clear up or maybe muddy up the 1,000 point judging class that we are doing at MCR 2024.

All of the cars in this class will be judged and receive a trophy with a picture of their car on it and the amount of points they received. They do not compete against each other they are all judged on their own quality of work.

All of the judging in this class is based on quality of work not on originality unless the owner says it is an original restoration. There is a big difference between judging original and judging quality for any of the classes that the car might be in. Most of the cars that want judged are not original restorations but are very good quality restorations. To judge in this class what the judges are looking for is quality of workmanship. If you have any questions please ask.

Many of you have asked about the WACO club t-shirt and “when are we going to get some more” of them. That is part of what we are attempting to do now.

The first item on this t-shirt form is the original WACO t-shirt. It is silver / med gray with only the WACO logo on it. It will probably have a small logo on the front and a large one on the back. We will be selling these to members at approximately our cost.

The second item on the t-shirt form is a florescent yellow t-shirt with the MCR 2024 art work on it.

The reason that we are offering this shirt is that WSU wants the helpers with MCR 2024 to wear florescent colored shirts or vests while helping in the parking lot at our show. This is for safety reasons and also to help with identifying WACO helpers. We do have florescent colored vests that helpers can wear but for those of you who would rather wear a nice florescent yellow t-shirt we decided to offer them to WACO members at only the \$10.00 and \$13.00 price which is below our cost. You do not have to buy one, you can always wear one of the vests. There may be benefits at a later time to having one. 😊

The last item on the list is the MCR 2024 event t-shirt in silver / med gray. We are making this available on this form in case you forgot to order one while registering your vehicle for the big event. We are also offering this shirt on this form in case you are not going to put your vehicle in the show but you would still like to have an event t-shirt.

All of these shirts will be ordered at the same time from Prairie Print so they will be available in time for our show at the end of May.

All of these shirts will be available on a pre-order basis only.

“Let’s all get pre-registered ASAP” for MCR 2024.

I am receiving registrations almost daily for our show.

We are doing good on selling the grill raffle tickets. We have sold enough tickets to pay for the grill so more sales will be profit for WACO.
