

04/14/24

WACO Family and Friends;

Let's have a WACO Luncheon on Thursday, 04/18/24, 1:00 pm at The Pit Stop located at Maize Road and K-42 Hwy. It used to be Town & Country and something else before that.

I hope to see all of you there for a good time and lunch with friends.

Kevin Clark is trying to get a quilt made out of pictures of WACO club members cars. So please e-mail a picture of your car to Kevin so it can be used on the quilt.

ksnclark@cox.net or call him if you need to 644-6049.

He would take pictures off of our web site but we are currently having problems with the server and so he cannot do that.

Kevin has all of the MCR 2024 fliers so if you need some please contact him. Maybe he will have them at the luncheon to share with others.

I would like to encourage everyone to get any shirts that you want on order ASAP. Whether you want a WACO shirt, the MCR 2024 shirt or the florescent Regional shirt please get them on order.

We will be taking orders until our next meeting on May 1st and then on May 2nd we will be placing our order with Prairie Print to have them all in time for the Regionals.

The WACO Ladies will be finishing up the Raffle Baskets on the 27th and I believe that they then plan on stuffing the goody bags. This means that we need to get all of the stuff for both items gathered up and given to Becky or Kevin or dropped off at Mike's.

Benton Show The Benton Day car show will be held this year on April 27th. It is held from 9am – 12 noon during the Benton day celebration. \$10 to enter your car and the top 10 winners get to be in the parade. There are a lot of activities going on all day so it will be a great family event.

Last date to order shirts The last day to order any of the shirts that WACO has been offering will be at our monthly meeting on May 1st.

Please get any of the shirts that you want on order ASAP.

We need to get all of the items that have been collected for the good bags over to Mike's house before the 27th so they can be put in the bags on the same day as the WACO ladies breakfast.

WACO Ladies;

We have a WACO Ladies Breakfast scheduled for Saturday April 27, 2024, at 9 AM at Livingston's Cafe located at 4733 E. Douglas, at the corner of Douglas and Oliver. We

will eat breakfast and then go back to Mike & Cindy's garage to assemble the raffle baskets for Regionals. Anyone is welcome to join us for breakfast and then if they have time they can help assemble the raffle baskets. If you can't assemble the baskets, still come and join us for breakfast. We will need all supplies for the different raffle baskets by that date so we can assemble them. Any questions, please contact either Tammy or Becky!

PLEASE RSVP by April 24th, that might be helpful for the restaurant..

Please make sure that you read the T-shirt information that is below and get what you want on order.

Many of you have asked about the WACO club t-shirt and “when are we going to get some more” of them. That is part of what we are attempting to do now.

The first item on this t-shirt form is the original WACO t-shirt. It is silver / med gray with only the WACO logo on it. It will probably have a small logo on the front and a large one on the back. We will be selling these to members at approximately our cost.

The second item on the t-shirt form is a florescent yellow t-shirt with the MCR 2024 art work on it.

The reason that we are offering this shirt is that WSU wants the helpers with MCR 2024 to wear florescent colored shirts or vests while helping in the parking lot at our show. This is for safety reasons and also to help with identifying WACO helpers. We do have florescent colored vests that helpers can wear but for those of you who would rather wear a nice florescent yellow t-shirt we decided to offer them to WACO members at only the \$10.00 and \$13.00 price which is below our cost. You do not have to buy one, you can always wear one of the vests. There may be benefits at a later time to having one. 😊

The last item on the list is the MCR 2024 event t-shirt in silver / med gray. We are making this available on this form in case you forgot to order one while registering your vehicle for the big event. We are also offering this shirt on this form in case you are not going to put your vehicle in the show but you would still like to have an event t-shirt.

All of these shirts will be ordered at the same time from Prairie Print so they will be available in time for our show at the end of May.

All of these shirts will be available on a pre-order basis only.

MCR 2024 1,000 point judging. I want to try and clear up or maybe muddy up the 1,000 point judging class that we are doing at MCR 2024.

All of the cars in this class will be judged and receive a trophy with a picture of their car on it and the amount of points they received. They do not compete against each other they are all judged on their own quality of work.

All of the judging in this class is based on quality of work not on originality unless the owner says it is an original restoration. There is a big difference between judging original and judging quality for any of the classes that the car might be in. Most of the cars that want judged are not original restorations but are very good quality restorations. To judge in this class what the judges are looking for is quality of workmanship. If you have any questions please ask.

Needed or For Sale items:

If you need some upholstery work done please contact Russell Webbers friend Jessie Foraker 316-932-3991 at Stardust Upholstery. He will get you fixed right up.

Don Overstake, a WACO member, has a 468 CI engine for sale and you can hear it run if you are interested.

Brian McNeil, a WACO member, has a couple of cars to sell.

I am looking to sell a couple of my cars and some parts. I have a 1970 Chevelle LS6, red automatic, that is on the LS6 registry and had a frame on restoration performed by Rick Nelson of Muscle Cars Design and Restoration. The car doesn't have documentation, but has all the photos for the unit. I also have a 1971 Monte Carlo SS 454, triple black in color, with all options. It had a complete three year restoration performed on it. I have a spare LS6 engine for a 1970 Chevelle LS6 4

speed that Rick Nelson restored for me as a spare, a TH400 automatic transmission, rear axle housing for a 1970 Chevelle F41 suspension that came off a LS6 car with a date code of Jan 1970.

I'm not sure how to post this stuff or sell it, but I would like them go to good homes. Maybe you could share the above with some of the regional/local club members. People can reach out to me at my email or cell phone number if interested. Let me know about the club membership dues and I'll get those paid if I owe anything.

Respectfully yours,

Brian McNeil
