WACO Family and Friends;

I briefly want to mention a couple of things that Becky covers really well in the minutes of the last meeting. Make sure that you read the minutes to get all of the good information.

We did not plan ahead for the Lake Afton car show because we were all busy with the Regionals. See you there.

Important:

The first thing coming up that I want to mention is that Anthony McCubbins son, Austin, has joined the Army and Anthony would like to have a going away party for him.

The details are below from Anthony and I would like to encourage everyone to get their cars out and show up to show your support.

Friday June 14th, 6:30 pm until 9:00 pm, 401 S Khedive St. , Maize KS 67101. I had an idea after I got home from the meeting last night. We are having a going away party for my son Austin on Friday June 14th from 630pm until 9ish. Just a drop by, say hi wish him well and what not. We are going to have food there but people don't need to stay the whole time. Anyway, I was wondering if you could send an email out to the club to see if anyone would be willing to bring their cars out and maybe even offer to take him for a little cruise around the block or something. If we get a few cars I will what I can do about blocking off some spaces. His favorite year is 1970 but he loves them all. I can be reached by phone/text 316-993-1971 or email mccubbins2003@gmail.com. this is a surprise event for him. I forgot to mention that it will be held at the maize community building, 401 S Khedive St, Maize, KS 67101 is the address. I forgot to mention he leaves Monday June 17th for basic training. I think that everything now..... lol Anthony.

Important:

June 19th 5:30 pm please meet at the Pit Stop, (it is out of business) for a cruise to Lubbers in Cheney. Lubbers was a sponsor for MCR 2024 and we need to go by and present them with a Thank You plaque. We need to show them our support so maybe they will help us again when we need it. WACO is also going to pay for the Pizza at Gambino's the best pizza place in Cheney. So please get your Chevelle's out again and let's cruise to the big city of Cheney. 😊 It should be fun.

If you can't meet us at the Pit Stop then just meet us at Lubbers at 6:00 pm.

I have been told that the Lake Afton free car show is this Sunday. I hope to see all of you there, but I don't know what my plans are yet. 😊

Important: Everyone;

We have the chance to order more of the **WACO Club Shirts only**. These are the shirts with the WACO logo on them, front and back.

You must reply to this e-mail and copy in David Hime (dhime@sbcglobal.net) to place your order. David H. will keep track of the orders and make sure that you receive your shirts.

Don Overstake, a WACO member, has a 468 CI engine for sale and you can hear it run if you are interested.

Brian McNeil, a WACO member, has a couple of cars to sell.

I am looking to sell a couple of my cars and some parts. I have a 1970 Chevelle LS6, red automatic, that is on the LS6 registry and had a frame on restoration performed by Rick Nelson of Muscle Cars Design and Restoration. The car doesn't have documentation, but Rick has all the photos for the unit. I also have a 1971 Monte Carlo SS 454, triple black in color, with all options. It had a complete three year restoration performed on it. I have a spare LS6 engine for a 1970 Chevelle LS6 4 speed that Rick Nelson restored for me as a spare, a TH400 automatic transmission, rear axle housing for a 1970 Chevelle F41 suspension that came off a LS6 car with a date code of Jan 1970.

I'm not sure how to post this stuff or sell it, but I would like them to go to good homes. Maybe you could share the above with some of the regional/local club members. People can reach out to me at my email or cell phone number if interested. Let me know about the club membership dues and I'll get those paid if I owe anything.

Respectfully yours,

Brian McNeil
