### **WACO Family and Friends;**

We could use more photos or videos for our web site so if you took some pictures or videos please let us know at this Wednesdays meeting.

Make sure that you show up and get one of the special treats that Kevin has made arrangements for.

Well, the weather held this year. Forecasts were for showers on Friday and partly cloudy on Saturday. Luckily the two days were high and dry with only a cloudy overcast both days. The show photos are broken own into 3 pages; [Page 1](#) - 64-67 Chevelles, [Page 2](#) - 68-72 Chevelles, and [Page 3](#) - Station wagons, El Caminos, and Monte Carlos.

If you want to see some of the pictures from the MCR 2024 Poker Run, then please follow this link.

I hope that everyone had a happy and safe 4<sup>th</sup> of July celebration.

**WACO meeting date change.** Since our regularly scheduled meeting would be on the third of July we have decided to change the meeting date for July only, to the **10<sup>th</sup> of July**. As far as I know we should still be able to meet at 6:30 at Mike and Cindy's place, 11400 E Douglas.

We are going to have a **special treat** for everyone at the meeting this month. Kevin has made arrangements with a **Shaved Ice Vendor** to be parked in front of Mike's garage and anyone that wants something from the truck can get it for **FREE**. For one hour you can order whatever you want and WACO will pay for it.

Your last chance to order a WACO T-shirt will be at this month's meeting. David H. will be placing the order on Thursday.

A friend of Ron Fleming's has some Chevelle emblems that he would like to sell. Below is what Ron knows ABOUT THEM AND THERE IS A PICTURE ATTACHED. You can have them all for only \$50.00. If you have any questions, please give Ron a call.

If you are looking for an **El Camino**, now is your chance to buy one. Gene League has two of them **for sale**. One is a 1965 and the other one is a 1986 or 87 I think. 😊  
Call Gene for details, 1-316-648-0192 or [genevleague@gmail.com](mailto:genevleague@gmail.com).

**If anyone is looking for a 1967 SS, here is your chance to own one.**

I did want to let you know that I might be interested in selling my 67 SS red 4 speed Chevelle but it would be in the \$50,000 plus range. I do have \$20,000+ of receipts. I would eventually get another one but I would like an automatic with power steering and possibly ac. I know the vin # validates a factory 396 SS but not sure on the motor. I know it was completely rebuilt and I believe it is the original motor. Miles is less than 40,000. I have not actually advertised it yet but wanted to let you know in case you might know or hear of anyone that might be interested. Thanks Roger Wiggett

**Important:** Everyone;

We have the chance to order more of the **WACO Club Shirts only**.

These are the shirts with the WACO logo on them, front and back.

You must reply to this e-mail and copy in David Hime ([dhime@sbcglobal.net](mailto:dhime@sbcglobal.net)) to place your order. David H. will keep track of the orders and make sure that you receive your shirts.

Even if you have told one of us what you want, please put it in an e-mail.

These shirts can be purchased in both a short sleeve and a long sleeve shirt. You can also get the female style if desired. There will probably be an upcharge for long sleeve's but we do not know what it will be at this time, probably minimal charge.

You can also get these in **almost any color** that you desire or at least as close as they can get.

This is the pricing per each on the short sleeve shirts: women's or men's.

S - X lg \$17.00

XX lg \$19.00

XXX lg \$20.00

XXXX lg \$21.00

XXXXX lg \$22.00

Please get them on order ASAP!

Please let me know if you had any problems with the fluorescent colored shirts that we ordered for the Regionals.

Wichita Burner enjoyed having us at their open house last year and they would like to do it again this year. Right now they are planning their open house for Wednesday September 18 around lunch time. There will be good parking for all of our cars and FREE FOOD and soft drinks. Please put it on your calendar and plan on attending.

Don Overstake, a WACO member, has a 468 CI engine for sale and you can hear it run if you are interested.

Brian McNeil, a WACO member, has a couple of cars to sell.

I am looking to sell a couple of my cars and some parts. I have a 1970 Chevelle LS6, red automatic, that is on the LS6 registry and had a frame on restoration performed by Rick Nelson of Muscle Cars Design and Restoration. The car doesn't have documentation, but has all the photos for the unit. I also have a 1971 Monte Carlo SS 454, triple black in color, with all options. It had a complete three year restoration performed on it. I have a spare LS6 engine for a 1970 Chevelle LS6 4

speed that Rick Nelson restored for me as a spare, a TH400 automatic transmission, rear axle housing for a 1970 Chevelle F41 suspension that came off a LS6 car with a date code of Jan 1970.

I'm not sure how to post this stuff or sell it, but I would like them go to good homes. Maybe you could share the above with some of the regional/local club members. People can reach out to me at my email or cell phone number if interested. Let me know about the club membership dues and I'll get those paid if I owe anything.

Respectfully yours,

Brian McNeil
