

WACO Family and Friends;

The **November meeting** will be held at Mike and Cindy's place on Wednesday November 6th at 6:00 pm.

We have a lot of items to discuss so come and join in on the conversation.

The **Hutch SWAP MEET** was a big success as far as I am concerned. Several members sold quite a few items and made a few bucks. I think WACO did OK due to the generosity of its members. We have some great people in our club .

David Hime has all of the t-shirts that we ordered. Come to our next get together and pick yours up or call David H. 316-371-7100 to go and pick yours up from him.

The ladies of WACO are well into the planning stages of our Christmas party so please put it on your calendar and plan on attending. After the next meeting I am sure that we will have more information for everyone. It should be a great time.

Christmas Party. I know it seems like it is awfully early to think about Christmas but venues fill up quickly and if we are not on top of it we will not find a good one. Mike and Cindy are always happy to have us at their place but with the great turnout that we have been having it seems like we need a little more room.

Kevin has found us what appears to be a really good place at the Motorplex at WSU. The room seats around 100 people, has video and stereo equipment and we can get it for only \$100.00 for the evening.

I am sure that Kevin will have more information for us at the next meeting.

I am sure that all of you have already heard that **Mandatory Water Restrictions** go into effect on Monday 08/05/24. We are now in stage 2 of water conservation rules that will restrict those who water their lawns with City water will now be restricted to watering One Day Per Week. On their web site you can see the map that tells you which day of the week you will be able to water. They plan on fining people who do not follow the rules.

We all knew that it was coming so we might as well get started before it gets worse.

I do hope that everyone plans on voting again this year.
