WACO Family and Friends;

We will not be having a meeting in December because we are having the **Christmas Party** instead.

The WACO Christmas Party is going to be great again this year. I will be sending out reminders to try and make sure that everyone has the party on their calendar and plans on attending.

We will have plenty of room for family and friends at the WSU Metroplex that Kevin has reserved for us this year. (see Flier)

One thing that I wanted to make sure that I mentioned is that there is a very very limited amount of plug in receptacles, so if you are bringing a hot dish of some kind please bring it hot and ready to go.

I know that you all have read the **WACO Christmas flier** that Kevin asked me to send to everyone.

Please plan on attending. The WACO ladies and Kevin are putting a lot of work into this event so we all know that it will be great.

It is not mandatory but please try and let us know what food item you are bringing and how many of you will be attending by sending me an e-mail.

The Hobo Happening car show this year was the biggest one so far. There were between 250 and 300 cars there, depending who you talked to. It was a great day and a lot of people to talk car stuff with.

The Fire Truck presentation from Don Hattan to the Fireman's Museum was a small good event. We got to tour the facility and make future plans with the museum. Next year sometime we hope to have a WACO cruise to the museum including a cookout and a tour. It will be another fun WACO event.

I am having trouble sending e-mails to both sbc and att e-mail addresses. If you know members that has an e-mail that ends in sbc or att then please forward this e-mail to them for me.

It looks like we have several swap meets coming up in 2025 so plan ahead and don't miss out. (see below)

David Hime has all of the t-shirts that we ordered. Come to our next get together and pick yours up or call David H. 316-371-7100 to go and pick yours up from him.

A note from Roger Wiggett: Hey, David; I forgot to tell you that I did sell my 1967 Chevelle and also that I am in the market for another Chevelle or nova. Prefer automatic with or without ps and air. Like the red, black, grey or silver colors. Would like something very clean and straight with no major issues. Plan to drive more as well as participate in smaller car shows. Thanks, keep up the good work. ROGER WIGGETT
