

02/21/25

WACO Family and Friends;

It looks like we already have several things lined up for 2025 as WACO events and are working on a few others. Sunflower Swap Meet March 7th & 8th (more info below), Cruise to the NSRA car show and then to Ron's in Clearwater April 5th, The Midwest Chevelle Regional in KC September 5th & 6th, The Wichita Burner open house and luncheon September 17th, this is a great list to get things going in 2025.

New stuff below. If I forgot something you asked me to mention, please let me know and we will try again. ☺

Are we going to do the Chili Cookoff this year? David Hime mentioned to me that he has a bunch of free passes to the museum in downtown Wichita. We should plan on a day to go and check it out. Do we want to participate in the Winfield swap meet?

WACO Ladies,

It's time we had another luncheon! Let's meet at B & C Barbeque located at 355 N. Washington (Second & Washington) at 1:00 PM on Friday February 28, 2025.

Please RSVP by Wednesday February 26 to let me know how many to expect.

Hope to see a lot of you there!

Below is a note that I received via e-mail from Jim Myers and Troy Moore (WACO member) at **Wichita Burner** about their event.

To our friends at Wichita Area Chevelle Owners -

Wichita Burner Inc Customer Appreciation cookout and Car Show date has been set for September 17, 2025. Lunch provided with Burgers, Brats, fixin's and soft drinks served from just before 11:00AM until just after 1:00PM. And yes, we did run out last year but we're sorry. Attendance was over the top last year, and it turned out be a blast.

In the way of review, the Car Show was held on our grass lot at the corner of Waterman and Lulu just east of the Intrust Bank arena neighborhood. 319 S Lulu is our address. We had 38 cars last year and the grass was full. In no small part thanks to Chevelle Owners! But I'll warn you up front, Mid Kansas Vintage Thunderbirds have been invited this year. We had a couple T-Birds show up last year.

What do we (WBI) want from this? Personally, I want a '75 Monte Carlo Landau parked on our grass. Sun roof. Eight track tape player the size of a small TV. All the goodies.

And tunes! The summertime tunes last year were exceptional.

Regards, Troy and Jim

Most of you know Jay and Babs Guengerich. They have been WACO members for a long time and still are even though they have moved to Kansas City.

On Wednesday the 12th, Babs went in for open heart surgery. She is doing great and hopes to go home maybe the first of this week. Jay and I think that it would be very nice if as many people as possible sent a card to Babs wishing her a speedy recovery and best wishes, all of that good stuff. 😊

For those of you who would like to send her a card, you can send it to the address below.

Let's start off the day by doing a little recycling. Mike Howell 316-648-7331 howellm981@gmail.com has a friend / neighbor that heats his shop with used oil. Most of us Chevelle owners change the oil on our Chevelles ourselves. So, if you have some used oil hanging around that you need to get rid of, please give Mike a call or send him an e-mail.

Everyone should have received this list mentioned below, please let me know if you did not receive the list.

Becky made a list of places to cruise to a year or so ago and we didn't follow through with cruises. We will be sending the list out to everyone to look over and vote on which places you would like to go. We can always add to the list.

Kevin has also put together an abbreviated list of cruise locations so I combined the two lists and hopefully didn't screw them up.

Please let me know if I did. 😊

Ron mentioned that he would like to do a cruise like we did last year when we went to that car NSRA show down south and then we cruised to Ron's place in Clearwater for pizza. I was fun last year so it sounds like a good time to me. The NSRA show is going to be held on Saturday April 5th so we need to plan our cruise for that day.

At our Wednesday meeting we should talk about a place to meet so we can cruise together.

There is plenty of parking at Ron's for our Classic Cars and parking at the school across the street for those who can't drive their Classic car.

I would like to remind everyone that is a new year and time to **renew all of our memberships**. They are only \$30.00, and it seems to me that you get a lot for your **dues**.

We have had several members already send in their money for their dues. Don't be the last one to renew. 😊

March Swap Meet: The March Swap Meet will be here before you know it. (March 7th & 8th). We all need to get ready for it. We have a volunteer to haul the WACO trailer to and from the swap meet on the set up day and when it is over. Box Cox volunteered again this year to haul the trailer. You should give him a call to see what help he might need.

Our move in time is on March 6th at 9:00 am through the doors on Douglas. Our booth spaces are C8-4,5,6,7 & 8.

I will send out more information as I receive it.

Does anyone know what is going on with the downtown parking in Wichita?

A couple of places to visit: At some point this year we have been invited to tour a couple of restoration shops. Ron spoke with the people at both Chris Carlson Hot Rods in Mulvane and Sterling Restorations at K42 and West Street and they both invited us to come and check out their shops on a club cruise night. Sounds like a good idea to me. Devlin's has also been suggested.

Mark on your calendar for the Kansas Sunflower swap meet held at Century II, March 7th and 8th. WACO has booth space available for our members to sell that old bumper behind the garage or the spare door handles you don't need anymore.

Midwest Chevelle Regionals 2025: As usual Kevin is on top of things and has an update on the 2025 Regionals in KC. Here it is. The 2025 Chevelle regional date is September 5th and 6th in Kansas City, Ks. The show will be located at Nebraska Furniture Mart (NFM) in the same parking lot as the past events have been. Kevin

There is a very nice WW1 museum in the KC area that you can go to visit while at the Regionals if you want to.

It looks like we have several swap meets coming up in 2025 so plan ahead and don't miss out. (see below)

A note from Roger Wiggett: Hey, David; I forgot to tell you that I did sell my 1967 Chevelle and also that I am in the market for another Chevelle or nova. Prefer automatic with or without ps and air. Like the red, black, grey or silver colors. Would like something very clean and straight with no major issues. Plan to drive more as well as participate in smaller car shows. Thanks, keep up the good work. ROGER WIGGETT rwiggett@cox.net
