

03/22/26

WACO Family and Friends;

The Chili Cookoff was a good time had by all. We had good Chili, good Sides, good deserts and really good conversation had by all. Who made the one hot chili that was really hot hot?

WACO luncheon at Mortdecai's. We have once again decided to have a WACO Luncheon. If you would like to meet and check out Mortdecai's, 330 S Greenwich Rd, then show up on Tuesday 03/24/26 at 1:00 pm for some good discussions. If you plan on eating there I have heard that they have some really good 12" pizza's. They do not have hamburgers but they do have a good variety of other bar food from sandwiches to appetizers. To check out their menu and see what they look like today go to their website at www.mortdecaistavern.com

For the Cruise on April 4, we are going to meet at Harbor Freight, Pawnee & Senecs, at 9:00 am and try to cruise together. We will probably stop at the OLD Derby Station for pictures on the way and then go to the NSRA show until around 12:00. After that we will cruise on out to Ron's place, 820 E Ross in Clearwater to eat some pizza and shoot the bull. I am sure that you can come and go as you wish, just dome and join in on the cruise and food.

Update on this cruise: Good news, Ron Fleming plans on doing a cruise in to his place in Clearwater on April 4th. It will be on the same day as that Hot Rod (NSRA) club does their show just East of Clearwater, many of you have been to that show before. I will send out more information as I receive it. **There will be pizza from Casey's** so we will have food when we get to Ron's place. He will put out a donation jar so we can help with the food expense..

Next meeting. I think that we are going to have our next meeting at Mortdecai's. We will check it out and decide on Tuesday at the WACO Luncheon.

I am not sure if the links will take you anywhere but try them anyway. Then you can laugh about it by reading the dumb jokes below. 😊

Plans for the Regionals are going great, but we do need a lot more items to stuff in goody bags. When you are out running around remember to ask to company you have stopped at or doing business with, if they have anything that they would like to give you as a goody bag stuffer or as a giveaway item. It doesn't hurt to ask. It can be anything, note pads, pens pencils fliers from their company, anything.

I really appreciate it when people send me interesting information on car related items so I can share them with WACO members. Even bad jokes are good. 😊

A teenage boy is getting ready to take his girlfriend to the prom. First, he goes to rent a tux, but there's a long tux line at the shop, and it takes forever. Next, he has to get some flowers. He heads over to the florist, and there's a huge flower line there. He waits forever, but eventually gets the flowers. Then he heads out to rent a limo. Unfortunately, there's a large

limo line at the rental office. But he's patient and gets the job done. Finally, the day of prom comes. The two are dancing happily, and his girlfriend is having a great time. When the song is over, she asks him to get her some punch. He heads over to the punch table, and there's no punchline.

Dogs get sprayed by Skunks so often because Skunks lift their tails as a warning, Dogs see this as "Come smell my butt" which is the EXACT OPPOSITE MESSAGE from what the Skunk is trying to send.

Hey David- could you help me ask the club if anyone has a painter they'd recommend to paint my 78 ford truck? I know it's a ford, but it has a Chevy motor. :)

I'm striking out and need some help!

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.

Think Before You Speak.

Think more, talk less.

Think twice, say nothing.

Think what you like, but don't say it.

There should be a filter between the brain and mouth.

Let it go!

In God we trust.

Say it, forget it.

Write it, regret it.
