WACO Family and Friends;

WACO luncheon at Mortdecai's was a success, I think we had around 18 people show up.

We are going to hold our **next meeting at Mortdecai's**, 330 S Greenwich Rd, Wednesday April 1st 2026, 6:00 pm. They have plenty of room for us and it is a nice venue for our meeting. If you plan on eating there please be aware that the service on food is fairly slow. They get the adult beverages and soft drinks out fairly quickly but the pizza's take a while. They are good pizza's.

They have some really good 12" pizza's. They do not have hamburgers but they do have a good variety of other bar food from sandwiches to appetizers. To check out their menu and see what they look like today go to their website at

www.mortdecaistavern.com

Show up early if you want to have an adult beverage with James. 😊

For the Cruise on April 4, we are going to meet at Harbor Freight, Pawnee & Senecs, at 9:00 am and try to cruise together. We will probably stop at the OLD Derby Station for pictures on the way and then go to the NSRA show until around 12:00. After that we will cruise on out to Ron's place, 820 E Ross in Clearwater to eat some pizza and shoot the bull. I am sure that you can come and go as you wish, just come and join in on the cruise and food.

Update on this cruise: Good news, Ron Fleming plans on doing a cruise in to his place in Clearwater on April 4th. It will be on the same day as that Hot Rod (NSRA) club does their show just East of Clearwater, many of you have been to that show before. I will send out more information as I receive it. **There will be pizza from Casey's** so we will have food when we get to Ron's place. He will put out a donation jar so we can help with the food expense.

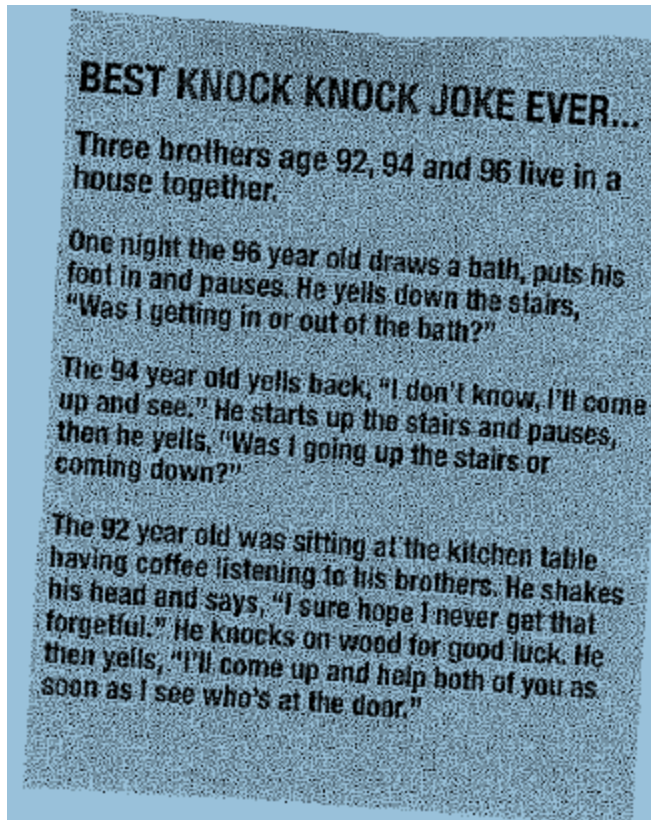

Ron will let us know on Wednesday if it looks like there is going to be a problem with the weather or something. The KSRA show is usually a rain or shine event.

Next meeting. We are going to have our next meeting at Mortdecai's.

I really appreciate it when people send me interesting information on car related items so I can share them with WACO members. **Even bad jokes are good.** 😊

What's the difference between a golfer and a skydiver? A golfer goes *whack* "damn" and a skydiver goes "damn" *whack*

1. **Why did the boy get fired from his keyboard factory job?**
 1. Because he was not doing enough shifts.
2. **What do you call an iPhone that sleeps too much?**
 1. Dead Siri-ous.

Plans for the Regionals are going great, but we do need a lot more items to stuff in goody bags. When you are out running around remember to ask to company you have stopped at or doing business with, if they have anything that they would like to give you as a goody bag stuffer or as a giveaway item. It doesn't hurt to ask. It can be anything, note pads, pens pencils fliers from their company, anything.

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.

Think Before You Speak.

Think more, talk less.

Think twice, say nothing.

Think what you like, but don't say it.

There should be a filter between the brain and mouth.

Let it go!

In God we trust.

Say it, forget it.

Write it, regret it.
