WACO Family and Friends;

For the Cruise on April 4, we are going to meet at Harbor Freight, Pawnee & Senecs, at 9:00 am and try to cruise together. We will probably stop at the OLD Vickers Station for pictures on the way and then go to the NSRA show until around 11:00 or 11:15. After that we will cruise on out to Ron's place, 820 E Ross in Clearwater to eat some pizza and shoot the bull. I am sure that you can come and go as you wish, just come and join in on the cruise and food.

If the streets are wet and you don't want to drive your Chevelle, come anyway and drive your daily driver.

Update on this cruise: Good news, Ron Fleming plans on doing a cruise in to his place in Clearwater on April 4th. It will be on the same day as that Hot Rod (NSRA) club does their show just East of Clearwater, many of you have been to that show before.

There will be pizza from Casey's so we will have food when we get to Ron's place. He will put out a donation jar so we can help with the food expense.

This is a rain or shine cruise. The KSRA show is usually a rain or shine event.

Don't forget to read the (attached) minutes from our last meeting that Becky put together for us.

There are two rough 1966 Chevilles for sale on the Northwest corner of Greenwich and Hwy 254. They are both rough but they come with a lot of additional parts so use in the restoration. You can buy both of them for around \$4,000.00 I believe. Call Tyler Taylor or Charla Wescott at 316-209-1309.

WACO Members please remember to take MCR2026 fliers and or cards with you to all of the many car shows coming up between now and the first of June. We need to let everyone with a Chevelle, El Camino or Monte Carlo about our show. Even if you are not entering a show you can still walk around and pass out information. We have a lot of fliers and cards so if you need some, just ask.

WACO Ladies,

Lori and I talked about when we should assemble the raffle baskets. We have chosen Saturday, May 2, 2026, to assemble the baskets. If you are putting together a basket, we ask that you get your basket things to us before May 2, or you can come and help assemble all the baskets at Lori's house on May 2. We have not chosen an exact time just yet. Be looking for more details to come. If you need help getting a basket for your things, please let Lori know what size of basket you will need. She has a limited supply of baskets now.

Becky and Lori

I really appreciate it when people send me interesting information on car related items so I can share them with WACO members. **Even bad jokes are good.** 😊

Joseph Bazalgette, the man who designed London's sewers in the 1860's, said 'Well, we're only going to do this once and there's always the unforeseen' and doubled the pipe diameter. If he had not done this, it would have overflowed in the 1960's (it's still in use today)

Penguins can drink saltwater because of glands near their eyes that remove salt from their bloodstream and then they can sneeze out the extra salt.

I am not sure if the links will take you anywhere but try them anyway. Then you can laugh about it by reading the dumb jokes below. 😊

Plans for the Regionals are going great, but we do need a lot more items to stuff in goody bags. When you are out running around remember to ask to company you have stopped at or doing business with, if they have anything that they would like to give you as a goody bag stuffer or as a giveaway item. It doesn't hurt to ask. It can be anything, note pads, pens pencils fliers from their company, anything.
