

05/26/26

WACO Family and Friends;

The following information about our next meeting is very important for you to read.

At this time we **do not** plan on having a meeting on Wednesday June 3rd.

Since the Regionals starts on Friday that week it just didn't seem necessary.

If any of the show committees need to get together in the meantime, I am sure that it can be arranged.

Many of you probably already know that Dan and LeeAnn Dreiling's son in law Travis Reitmayer had a very bad wreck in West Wichita on Saturday afternoon around 1:00 pm. He was by himself when his truck rolled down the highway throwing him out onto the pavement, at first they didn't even think he was alive. He broke all of his ribs, his jaw bone and many many other things in the wreck. Him and his family have a long recovery time ahead of them. Please keep them all in your thoughts and prayers.

I understand, from talking to Gary, that there is going to be a car show at Sidepockets the third or maybe the 4th Saturday of each month. Ask Gary 316-258-2847, he will know. It is a free show, they have a big parking lot so they should be able to accommodate a bunch of cars. Fun Stuff. Gary attended the show that they had on Saturday and said that it was a good show and a lot of fun.

I really appreciate it when people send me interesting information on car related items so I can share them with WACO members. **Even bad jokes are good.** 😊

A soldier survived mustard gas in battle, and then pepper spray by the police. He's now a [seasoned veteran](#)

I told my doctor that I broke my arm in two places. He told me to stop going to those places.

What's the difference between inlaws and outlaws? Outlaws are wanted.

A man went to his doctor with a carrot in one ear and some broccoli in the other. He even had some celery stuck up both nostrils. He told his doctor, "I just don't feel well." The doctor said: The problem is obvious.
You're not eating right.

I would like to urge all of our WACO members to get **pre-registered** for the MCR2026 Event to save a lot of work on everyone at the registration booth during the show. This will also help us plan ahead on what we are doing. Please get pre-registered.

We think that we have enough canopies but if you have one you want to bring as backup, that would be great. It seems like around the perimeter of the show there will be room to set up your own personal canopy for shade and then share it with others. It should be a great show.

What I really want to mention in the **T-Shirt Sales** is the **WACO Only Club Shirt**. We only have around 25 preordered and I believe we need to hit 50 on them to be able to place a descent order. If you want a color other than gray or you want a pocket or long sleeves, just let David H. know and he will order it for you the way you want it. Of course, changes might cost a little more, but not much.

WACO Members please remember to take MCR2026 fliers and or cards with you to all of the many car shows coming up between now and the first of June. We need to let everyone with a Chevelle, El Camino or Monte Carlo about our show. Even if you are not entering a show you can still walk around and pass out information. We have a lot of fliers and cards so if you need some, just ask.

Do not forget to bring your Show-N-Tell item to the next meeting.

From what I can tell, there is more than one thing going on to commemorate the 100th year anniversary of Route 66. There is what I have already sent the link out on www.route66centennial.org/index.php/celebrate/aaa-route-66-roadfest (I have to cut and paste this link to make it work or ctrl & click) which is a cruise on 66 at the end of June, which ends in Tulsa. In 2026, Route 66 will celebrate its 100th birthday. To celebrate, AAA has created the **AAA Route 66 Road Fest**. With the highway winding

through over 400 miles within its borders, Oklahoma is the perfect place to host this celebration.

Join us June 27 & 28, 2026 in Tulsa, Oklahoma – the Capital of Route 66!

And then there is the Guinness book of world records or something that Tulsa / AAA is trying to be set on May 30th. You can check that you can check out by following this link.

Here is the info from Tulsa. There are multiple car clubs on the web going. Looks like a crazy good time. I've read they need over 3000 registered entries, but are expecting closer to 6,000.

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.

Think Before You Speak.

Think more, talk less.

Think twice, say nothing.

Think what you like, but don't say it.

There should be a filter between the brain and mouth.

Let it go!

In God we trust.

Say it, forget it.

Write it, regret it.
