I think that we all had a good time on our cruise to Shindig's in Winfield on Friday. We had a total of 12 cars show up, which was great. It was a beautiful day for a cruise, fellowship and fun.

A couple of our members have volunteered to work on the old fire trucks again. It sounds like they are mostly having problems with dirty fuel systems. Kevin, Bob and John have once again volunteered to work on that old fire truck for the fireman's museum in Wichita. I am not sure what they have volunteered to do but it is great that they have volunteered.

Did you hear that Robin Bartel's dad, Denny, passed away yesterday? I don't know if you will remember him or not, but Denny and Vicki, Robin's parents

used to do the t-shirt booth at The Chill for Richard. Anyway, just thought you would like to know.

WACO Ladies,

At our last game day, the ladies that came helped me choose a time and date for our WACO Ladies Lunch. We will meet on Thursday November 12, 2026, at Oak & Pie, located at 2244 N. Greenwich Rd #900. This is a wood-fired grilled pizza place. It sounds like a fun place to eat. I know that we are a couple of weeks away yet, but I wanted to give you a heads up so that you could plan for this. I will send a reminder once we are closer to that date and will ask for RSVPs at the later email also.

Then we will not have a lunch during the month of December since that is such a busy month for everyone. We will resume our lunches after the first of the year. I am thinking that maybe sometime in January we could do a Saturday so that the working ladies could join us. If you have any suggestions for a date and or a place to meet, let me know!

Looking forward to our lunch!

Hobo Happening, Get signed up soon and save $5 on your registration. This is a good show and we usually have quite a few members that attend. November 21st, Douglass Ks.

Becky will bring some registration forms to the next meeting for your convenience.

Gun Show at Cessna Activity Center November 7th. This is a good show to attend to help support our vets and see a lot of memorabilia. One of our members even has a booth at this show.

Kansas Sunflower Swap Meet. It will be here before you know it. March 5th and 6 2027. We have purchased 5 booth spaces for our members to use. We will need a couple of volunteers to pull small trailers to this event, they have a bunch of stuff in them that needs sold to help get our money back on the booth spaces. It is always a fun time at this swap meet.

Something that I think we need to work on as a club is informing other members on which car shows you plan on attending at any given time. If we did a better job of informing each other then we might have better attendance at some of the shows. Anyway, for myself I like attending shows that I know that some of my friends from WACO are going to attend.

It would also be nice if we had some feedback from people on the shows that they did attend.

I really appreciate it when people send me interesting information on car related items so I can share them with WACO members.

Any jokes that you want to send me are appreciated also! Even bad jokes are good. ☺

Have America's best days come and gone? No, but if America is to be saved, it is YOU that must do the saving. No politician or political party will save this country. YOU are the one to whom our Creator endowed the rights of life, liberty and the pursuit of happiness and YOU must be the one to exercise your rights, defend them and preserve them for future generations
