

WACO Family and Friends

On Wednesday we all had a good time at the WACO luncheon. The food was good, the \$2.00 Margaritas were good and the company was great. I didn't get to talk to everyone but I think that everyone had a good time.

Please send me your suggestions as to where you would like to have the next WACO luncheon.

At the luncheon we decided to schedule our next WACO monthly meeting for Thursday March 8th just to change the day of the week to give people that can't make it on Wednesdays a chance to attend.

We are going to have the meeting at Jack Blackwill's house, 6445 Interurban. We will shoot for starting at 6:00 pm and WACO will have chili and hot dogs for everyone that attends. Mike Howell will prepare the food. Please bring your own beverage of choice and maybe a chair in case it is needed.

We have a lot of things going on in March so I hope to see most of you at one of the functions or another.

We have done some more changes / updates on our Regional flier and registration. We did this to make it easier to make reservations at the hotel and to pick the color of the t-shirts that you want. You should be able to click on the hyperlink on the flier and go straight to the hotel for MCR 2018 reservations.

As you know we have placed our shirt order. We should have the shirts in time for the March meeting and we will also have them available at the swap meet and the Chili Cookoff. We do not want to haul the shirts around forever so please plan on attending one of these events to pick up your shirts, pay for them and pay your dues at the same time.

As a positive note on our t-shirts for the Regionals our sales are starting out good. Since I know that most of you check our web site on a regular basis you probably already know that Dale put our t-shirt art work along with the colors available on our site. So far people that have seen the art work are starting to order shirts even if they cannot attend the show. That is a good thing.

We have more information to share about the **Sunflower swap meet**. We have 4 spots reserved M 6 & 7 and N 6 & 7. You can go to their web site and see exactly where the spots are. They are fairly close to the back garage door that is in the south east corner of the Expo hall. They will be mailing out information in the next two weeks or so.

We have a supply of the **Cruzin'18 Calendar of events** magazines for our members. Be sure to show up and get yours.

Don't forget that we have a **swap meet** and a **Chili Cookoff** coming up in the near future. See below.

Make sure that your dues are paid. Everyone usually needs to pay during the first quarter of the year.

Items Needed:

Richard Bartel is looking for a stock flat 1967 Chevelle Hood. If you have one for sale please get hold of Richard about it.

We have a gentleman, Greg Hansen, who is looking for the molding strip that is in the center of the door on a 1964 Chevelle Malibu. He needs it for a two door wagon. If you have one please let him know.

hanseng123@cox.net Yes, I do have a couple of them but they are not very nice pieces.

If anyone is interested in a 1969 Chevelle SS that is for sale, Jay had the pleasure of talking to a person that has one for sale. His name and address are show below. This is all of the information that we have so if you have any questions please call the guy. No, we do not know how much he wants for it. Brad Hershberger Augusta Ks, 316-993-6893, 69SS with 454 BBC, 4 speed Muncie, In need of full restoration after sitting for a prolonged time, Price ???

Please check out our updated web site: www.wichitachevelle.com

Send me pictures of your car via e-mail and we will get them posted to our web site.

If your car is still being worked on, send the pictures anyway. We all still want to see the progress.

We have been adding pictures of members cars to the web site so please take a look at all the new pictures and e-mail me some of your own.

WACO Minutes –

Hinshaws - Oh yeah, there is one thing about the Regionals, Hinshaw's, a major Chevelle parts supplier, has signed up to be a vendor at the Regionals. They will be here for the show and they will give us some items to use as prizes.

If you are needing any Chevelle parts these days please call James at Hinshaw's. He is the owner and he knows a lot about Chevelles. Mention that you know he is going to be attending.

New – interesting story: Web – Site Information:

I would like to mention that we now have Dale McIntosh working on our WACO web site. Soon we will have a new looking and updated site to use. I think that everyone will like the changes that we are making and it will be a great tool to use to promote the Regionals that we are hosting in 2018.

Dale has written several books about Chevelles and has a Chevelle Calendar out. You can purchase both online. <http://chevellestuff.net/> You will find a lot of good information on his web site. The books and calendars will make great gifts for any occasion.

New – possibly new upcoming event: Believe it or not Bob Cox has come up with a good idea. There is an old restored Vickers Gas Station at Seneca and Grand in Haysville that would be a great place to take pictures of our cars.

David Hime has also suggested several places, including the old train station, to take pictures.

It sounds to me like we need to plan a cruise that will include several stops to take pictures. David Hime sent me a picture of his 68 the other day that looked great with the plains Indian statue in the back ground.

Come to the next meeting and we will make plans to do this cruise. Believe it or not Bob Cox has come up with a good idea. There is an old restored Vickers Gas Station at Seneca and Grand in Haysville that would be a great place to take pictures of our cars.
