

WACO Family and Friends

We are going to have our monthly WACO luncheon on Wednesday June 27th at 1:00 pm. The place was decided by a flip of the coin. This month it will be at Neighbors Restaurant / bar and grill 2315 W 21st.

We are going to set up a cruise date to go to a shop and check out Roger Suttons newly restored Chevelle. Plan on joining us.

Ron Fleming would like to have a cruise / get together out at his place in Clearwater sometime this spring or summer. His suggestion was to do it at the same time that we do a picture shoot at the old Vickers station that is in Mulvane the one Bob and David mentioned in earlier WACO updates. We will be putting something together as soon as we can get things coordinated with Ron's Saturday race schedule.

Ron will be racing in the Rocky Mountain Race Week that is starting on the 16th. We should all go to Great Bend on the 16th and support Ron as he kicks some butt again.

There is a lot of good stuff below.

In case you cannot find information about anything going on except car shows. I will list some of the fun things going on in the Wichita area that are not car related. I hope that everyone has a great summer.

Stuff For Sale:

A couple of guys that I know mentioned to me that they have some things for sale and a couple of cars that they would like to move out. So if you know anyone that is interested please let them know about the following items.

1969 Chevelle 12 bolt posi track rear end with Edelbrock adjustable upper control arms and boxed in lower control arms. I believe that he said that the rear end is complete and ready to install. I forget the gear ratio so you will need to call him. He wants \$1,800 for the complete rear end.

He also has a turbo 350 race transmission that was built by Chance that he wants \$600 for.

Next he has a 1972 El Camino that is kind of rough, is missing the engine and tranny but he has all or most of the trim and stuff to put it back together with. He wants \$2,500 for everything.

He has a 1966 Caprice, 2 door hard top with a rebuilt 305 and 400 tranny. It would be a great project car. It needs paint and interior. He wants \$5,500 for it.

Last but not least he has a 1967 Rivera, new brakes and tires, runs and drives but it does need a paint job. I think that it has the 455 in it. He would take \$6,000 for it.

This is everything that I know about his stuff. If you are interested in anything please call Cody at 316-208-4037. He is a motivated seller and wants to move some of his stuff out so please give him a call for the bargain of the week.

He already sold the two 396 engines that he had., so call soon before you miss out.

Please check out our updated web site: www.wichitachevelle.com

As most of you know, some of the ladies in WACO, Becky, Tammy, LeeAnn, Teresa, Babs, Connie, and others that I have failed to mention, are working on the baskets of items that we plan to auction off at MCR 2018 to raise money for the charities that we have chosen.

They have a real good start on the baskets but can use help and donated items from everyone. If you have items that you want to donate and you see that someone is working on a basket that is on the list you can still donate an item to help out. All items are appreciated and we will find a place to use them. If you want to volunteer to do a basket by yourself, or at least get it started, please let one of the ladies that I listed above know.

Jay said that we can put the baskets at his house if we want to so that we will have a central gathering place for them and we will know what we have. You can probably bring what you have to the next meeting.

Below is a list of the baskets that the ladies put together as a reference point. If you have suggestions for other baskets or want to help with one that they have thought of please let someone know.

Yes guys, everyone can help with these baskets.

I plan on gathering up items for the NASCAR / Car basket so if you have any NASCAR related items or any little cars with NASCAR decals on them that you want to donate, please let me know. Any car related memorabilia will work.
