

07/18/18

Attention: We have the chance to get together, check out someone's shop, help out a member and have something fun to do on a Sunday afternoon.

One of our members, Roger Sutton, would like to have us stop by on Sunday afternoon to check out his Chevelle. He is trying to get it ready for the MCR 2018 Regionals and he would like us to look it over and let him know what changes / improvement he may need.

Here are the directions to the shop where his car is.

Sunday after 1:30 will be good, I am going to haul it over to a friend's house and put it in his shop. Bob Cook is his name and he lives off of south Hoover road on the east side of the street, about a mile and a half south of Mac Arthur, 47th street runs along the north side of his place, so if you turn onto 47th and start east there is a driveway headed south to a large blond colored building that the Chevelle will be in. Bob has a lift that we can put the Chevelle up on if needed. Sorry the building is not air conditioned, hopefully it won't be one hundred degrees. I will bring a selection of soda and plenty of ice.
Roger

This sounds like a good time.

I won't be able to head that way until about 1:30 but I plan on stopping by. If anyone needs a ride or wants to cruise along with me then please give me a call.

It may be hot out so you do not have to drive your Chevelle to attend.

MCR 2018 Information

It is about time to get together and put the baskets for the auction together and prettied up. ☺.

Babs has suggested that anyone who wants to be involved in putting them together should show up at her house on Saturday August 4th at 1:00 pm. Jay and Babs Guengerich live at 14832 East Lakeview Drive, which is just West of Andover Road and Kellogg, off of Kellogg. You can probably call Babs for directions, 684-7815. It should be a good time together.

As most of you know, some of the ladies in WACO, Becky, Tammy, LeeAnn, Teresa, Babs, Connie, and others that I have failed to mention, are working on the baskets of items that we plan to auction off at MCR 2018 to raise money for the charities that we have chosen.

They have a real good start on the baskets but can use help and donated items from everyone. If you have items that you want to donate and you see that someone is working on a basket that is on the list you can still donate an item to help out. All items are appreciated and we will find a place to use them. If you want to

volunteer to do a basket by yourself, or at least get it started, please let one of the ladies that I listed above know.

Jay said that we can put the baskets at his house if we want to so that we will have a central gathering place for them and we will know what we have. You can probably bring what you have to the next meeting.

Below is a list of the baskets that the ladies put together as a reference point. If you have suggestions for other baskets or want to help with one that they have thought of please let someone know.

Yes guys, everyone can help with these baskets.

I plan on gathering up items for the NASCAR / Car basket so if you have any NASCAR related items or any little cars with NASCAR decals on them that you want to donate, please let me know. Any car related memorabilia will work.

O'Reilly Auto Parts

I wanted to mention something about [O'Reilly Auto Parts](#), you know the people who are our biggest sponsor. Doug has mentioned several times that he receives a discount price at O'Reilly's when he mentions that he is with the Chevelle club.

He is correct. When you go to [O'Reilly's](#) tell them that you want it written up as Wichita Chevelle Owners. If they try to look it up and can't find it tell them that it is account 196342. They may ask for the phone number when they are looking it up. Tell them it is 316-265-6070. When I was there the other day I asked them to change the number to my home number 316-744-2381, but I don't know if they got it changed or not, they were having some trouble making the change. This will save you some money. As an example when I was there to buy some brakes the normal walk in price was \$33.00. I asked them to look it up under WACO and the price was \$26.00. I thought that was a nice savings. Give it a try.

Things To Do In The Wichita Area

In case you cannot find information about anything going on except car shows. I will list some of the fun things going on in the Wichita area that are not car related. I hope that everyone has a great summer.
