WACO Family and Friends

David Hime told me about a car show that was supposed to happen on Sunday but somehow has fallen apart. From what he understands the kids at Heartsprings are still expecting cars to show up so that they can have a distraction from their daily routines.

The show was to be for the kids at Heartsprings 8700 East 29th street North.

We are going to try and get some people / cars together to show up there on Sunday from Noon until 3:00 so the kids will have a few cars to look at.

It would be nice if we could get some WACO members to show up with some Chevilles for them to look at. We do not have to stay the whole time and it is a free event for everyone.

I hope to see all of you on Sunday.

REMINDER:

This month (October meeting) we will be meeting on Tuesday October 2nd 6:00 pm at Mimi's Old Town Mexican Restaurant, 321 N Mead (old La Chinita's Downtown).

We would like everyone to attend including their spouse and / or significant other, especially those who attended and / or helped at the Midwest Chevelle Regionals this year.

We want to celebrate a successful show with WACO paying for dinner. Mimi's has a special menu for us to use that evening along with the soft drink of your choice. As usual you will need to buy your own Margarita's or beers.

Please, everyone plan on attending this event.

And yes, we have just a few other things to talk about like our Christmas celebration / dinner. Come and put in your two cents worth.

It is time to get ready for the Fall swap meet in Hutchinson.

I was asked to send out this flyer for John Saindon, question call him @ 267-8914

Thank you

Bartel Racing – Saturday October 6th

Looking at my work schedule and type of events going on at KID, here is my plans with the Chevelle before Winter.

Saturday October 6th is a test-n-tune at KID. I plan on making motor only passes this day to see how fast I can go on motor only. Goal is 9.99 or better. Hoping the track conditions along with good rear shock settings will net me some good ET's.

Then I will take the Chevelle home and change out the plugs for colder Nitrous use and adjust the timing. Plan is to race during the Bracket Races on Saturday October 20th. I plan to just enter Pro as this is ¼ mile. If the weather is no good? Then I may have to schedule to haul down to OKC and make some hits there.
