

10/13/18

WACO Family and Friends

We have decided to have our next WACO Luncheon at "El Agave" 3236 N Rock Road at 1:00 pm Thursday 10/18/18. They have a small meeting room that we should be able to use. I hope to see all of you there.

There are some real good coupons in the "Best of Kansas" magazine / flier that is sent to many of us each month. Look for them or go to thebestofks.com to get your \$5.00 coupons.

IMPORTANT:

A problem with our computer has popped up so Sandy needs to take our computer in to be worked on.

We will probably not have our computer for the next week or so. I hope that one of you out there in computer land will save this e-mail so that if we need the information from it to restore information that I need someone will have it.

Someone can fill in for me if they want to keep the information flowing.

Are you ready for Halloween and all of the other holidays that are coming up sooner than expected? Make sure to plan ahead for the WACO Christmas party 12/15/18.

Most of the street races and stuff that I mentioned yesterday are going on this weekend rain or shine.

I am sure that we will see you in Argonia or Rose Hill or at least one of the places that was rescheduled for this weekend.

I will see you at the gun show for sure, they are just about always good, they don't get rained out and they are not as cold as being outside.

It is the same information from here on down.

We had a great meeting with the people at the American Legion / Honor Flight.

They are a really nice group of people and they were very grateful for the money that we donated to them.

These people are very dedicated to what they do.

To see pictures please go to our web site and see the pictures under the Charities tab and then click on where it says “photos” under the logos. It was a good time, you should have been there.

Important news here: There is a **gun show** going on this weekend at the Hartman Arena. It is basically all day on Saturday and Sunday.

I think the Nostalgia drags were postponed last week and are going to be this weekend. I wouldn't go to the bank on that information but that is what I heard.

This Saturday there is going to be a good car show and Fall Festival in Rose Hill at the Middle School 212 Rocket Drive. I understand that it is a really fun show.

There is also going to be a car show at the American Legion at 4301 W Pawnee this Saturday.

WACO luncheon. It looks like we are going to try and have it on Thursday October 18th. Please send me your suggestions on where to have it. One suggestion that was give is “The Artichoke”. Do they have enough seating for us? Another suggestion is Walt's on East Central. Where on Central? Please send me your suggestions.

It is time to get ready for the Fall swap meet in Hutchinson. October 26th & 27th, 2018. Vendor set up Thursday October 25th from noon until 9:00 pm

Speaking of the swap meet, we have a bunch of Chevelle parts that were donated to WACO by John Bedenbender from Texas that we are going to sell to raise money for our club. Come to the swap meet and check out all of the parts that will be for sale. Bring some of your own parts to sell. It is a good time and a chance to see your friends if nothing else.

While we still have time we should plan a cruise to Richards “Little DQ” or maybe some other place. Please give me your suggestions on a place and a date and I will set something up. I am sure that WACO can scrape up some change for the ice cream.

We have the votes in on the date for the **Christmas party**. 81.8% of the votes cast were for **December 15th**. We are going to see if we can have it at the House of Schwan again. **Richard volunteered to smoke a turkey, Shirley Osborn volunteered to cook some pulled pork and Doug volunteered to cook a ham**. If anyone else wants to volunteer to cook a main meet dish, please let me know. We will have it pot luck on the rest of the dishes like we usually do. I have contacted the HOS and I have set it up.

We need some volunteers to help make plans and do some shopping for the Christmas Party. Please let me know what you can do to help make this a fun event.

I think that is all for now. Please check out the items below.

OLD NEWS

First I want to mention that the rumor of a cruise to Winfield and going to the car museum there is just that, a rumor. Ron wanted to follow up on the information for us so he called the person that runs the museum. The guy said that it was just a rumor because they are in the middle of remodeling the place so it is not ready for visitors at this time.

The man suggested that if Ron would call him in the spring he would set up an open house / tour for our Chevelle club. That will be great. The place being opened up just for WACO members and their friends will be a lot of fun. I am already looking forward to the outing. Maybe we can have a cruise with food involved, that usually brings out more members.

I had a man from Oklahoma call me the other day looking for someone good to install an LS engine in his 1967 Chevelle SS. I know that several of you have LS engines in your Chevelles or you know someone who has had it done. So if you know a place or someone he could call to have it done either let him know or let me know and I will tell him. He came to the Regionals and liked what he saw.
