

10/25/18

WACO Family and Friends

Our next monthly meeting will be at Mike's house, 134 N Dowell on Wednesday 11/07/18 at 6:00 pm.

The club will provide hot dogs with a side of potato salad or something and soft drinks.

If you would like to bring a side dish or some desert to share, that would be great.

CALENDAR INFORMATION – The calendars are going fast so make sure that you order yours ASAP.

It appears that our friend Dale is putting out his **Chevelle Calendars** again. (see below)

They are great calendars.

If you are interested in buying one please let me know and maybe we can hit the discount price of 10 ea.

Please check out the information shown below and follow the links for more good information.

Let's try not to take to much time and miss out.

Please let me know ASAP.

Some of you already know of the two 2019 Chevelle calendars I'm having printed. These should be in my hands in a couple of weeks. I only ordered 50 of each and initial orders are coming in quick.

Calendar #1 is dedicated to the 1969 model year as it's the 50th anniversary of its introduction.

Calendar #2 is more Chevelle generic with several years being showcased.

Naturally individual orders are accepted (PayPal or credit card) and any club order of 10 or more shipped to ONE U.S. mailing address can 10% off the total. If using PayPal, I'll refund 10% of the total – if using credit card I'll calculate 10% off before charging the card. The 10 or more quantity can be a single version or a mixture of the two – no difference in cost.

So, ask around your club members and see if you can put together a group buy.

Just wanted to let you know I've placed an order for a second 2019 calendar, this one will cover various years of Chevelles including your Chevelle. This second 2019 calendar will be available along with the 1969 Chevelle-only calendar in stock by mid- to late-October.

One or both can be pre-ordered on my chevelled.net website at <https://chevelled.net/calendar/index.htm> via either PayPal or credit card. The smaller 8.5x13 (open) size of last year did not sell well so the larger 11x17 is the only size I ordered this year.

Anyway, stop by, take a look, and let folks in your club know about them. If your club can put together an order of 10 or more I can compute a price break since shipping would be less for 10 or more at one time than 10 or more individually.

I hope to see you all at the swap meet.
That's all for now.

David

We had a good time at the WACO luncheon at El Agave. We had the party room all to ourselves. The food was good and the conversation even better.

It is time to get ready for the Fall swap meet in Hutchinson. It is this week! October 26th & 27th, 2018. Vendor set up Thursday October 25th from noon until 9:00 pm

If you would like to go to the swap meet on Thursday and help set up our booth, several of us plan on meeting at my house (7550 N Greenwich) at 12:00 so that we can share rides and help. If you would like to ride with one of us then show up by noon.

If you have items that you want to sell then please make a list of those items with your asking price and your minimum price on it. Also put your name and cell number on the list. Label all of your items with the asking price and your initials so if anyone has any questions we will know who to talk to. If you have parts to sell but can't attend then bring them by my house and we will take them over there for you. If you have any parts that you would like to donate to the club to sell then bring them by my house and drop them off.

Speaking of the swap meet, we have a bunch of Chevelle parts that were donated to WACO by John Bedenbender from Texas that we are going to sell to raise money for our club. Come to the

swap meet and check out all of the parts that will be for sale. Bring some of your own parts to sell. It is a good time and a chance to see your friends if nothing else.

Are you ready for Halloween and all of the other holidays that are coming up sooner than expected? Make sure to plan ahead for the WACO Christmas party 12/15/18.

We have the votes in on the date for the **Christmas party**. 81.8% of the votes cast were for **December 15th**. We are going to see if we can have it at the House of Schwan again. **Lonnie Wall volunteered to smoke a turkey, Shirley Osborn volunteered to cook some pulled pork and Doug volunteered to cook a ham.** If anyone else wants to volunteer to cook a main meet dish, please let me know. We will have it pot luck on the rest of the dishes like we usually do. I have contacted the HOS and I have set it up.

We need some volunteers to help make plans and do some shopping for the Christmas Party. Please let me know what you can do to help make this a fun event.

Remember to invite friends and family to this event, it is for everyone.

For those of you like Military weapons and memorabilia there is a really good show coming up on November 3rd and 4th at the Cessna Activity Center. (see below)

Speaking of guns and stuff if anyone has any guns, ammo or bayonets that they would like to sell, please give me a call.

There are a lot of good charity shows coming up so I hope that our members are planning on attending some of them.

I think that is all for now. Please check out the items below.
