

02/28/19

WACO Family and Friends our next meeting will be at Mike's Place 134 N Dowell on Wednesday March 6th at 5:30.

Important information on the swap meet.

Our booth spaces and move in time have been changed again this year.

We are now in **booth spaces H 6-7-8-9 in the Convention Hall.**

Our move in time on Thursday March 7th is 9:00 A.M. and we load in the door on Douglas. You can drive into the building if you need to.

You can also move things in on Friday morning between 7:00 A.M. – 8:00 A.M. by handtruck only. No vehicles allowed.

If you are asked for the booth spaces numbers, they are registered under my name David Gohring. They should also be under Wichita Area Chevelle Owners but you know how communication goes sometimes.

We will also be looking for volunteers to move WACO items that are for sale to the swap meet and back.

If you have any questions please e-mail me or give me a call.

- For those with swap meet items the official swap meet start date is March 8th. We will be discussing set up day and getting your items sold and to the swap meet. You all need to get your stuff ready for the **KS Sunflower Swap Meet for Charity held** in Century II. We all have things that we need to get rid of / sell. Do we need to keep all 4 of our swap meet spaces or do we need to cut back to 2 spaces? Think about it while at the swap meet so we can discuss it and decide. If we do not have much participation by members and friends it will be easy to make the decision. There is \$5.00 entry Fee. We have our booth spaces already reserved for this swap meet. These booth spaces cost WACO \$50.00 each so please take advantage of this opportunity to sell your stuff.
