## **WACO family and Friends**

We will be having our next meeting at Mike's house / shop, 134 N Dowell. The meeting will be at 6:00 pm Wednesday May 1<sup>st</sup> which is traditionally May Day. I think that this means that we need to bring May Baskets to Mike for hosting the meeting. 😊 LOL. We are not sure what other special events we will be having during the meeting so I will send out that information in next week's WACO update. We can discuss our options at the WACO luncheon.

At our next meeting we will have special prizes for those wearing their oldest Chevelle related t-shirts. It can be any Chevelle related shirt. Please come and share your story about your shirt. If you don't have a Chevelle related shirt make sure that you attend anyway.

Our next WACO luncheon will be on Thursday April 25<sup>th</sup> at 1:00 pm. We will get together at AJ's Sport Bar & Grill which is at "The Alley" 11413 E 13<sup>th</sup>.

Many of you have already heard about a fairly new weekly get together at Sugar Shane's in Augusta. Every Tuesday starting at 6:00 pm they have an informal car show / get together. I went on Tuesday evening and it was a very nice time. Everyone, about 15 cars, parked in front of Sugar Shane's in parking spots that they blocked off with orange cones. Once you went inside the restaurant / bar you could register for small prizes that they would give out during the evening. The last Tuesday of each month they plan on giving out bigger prizes for those who attend. There were several people attending that I know so the conversation and the food was great. I think this would be a nice little cruise that our members will have fun attending. See you there.

Ron is still working on setting a date for the Winfield cruise to see the car museum and eat at the local restaurant. I forget the name but I will mention it in another WACO update when I think of it.

Ron and several other people have reminded me about the car show / downtown drags in Norwich KS on Saturday April 27<sup>th</sup>. This is a good show and the downtown drags are fantastic. I believe that we have several members that are going to compete in the drags and a couple more that will be in the show. It is a nice cruise over to Norwich and worth the drive. See you there.

Once again our very own Doug has come up with a great / funny article to put in Doug's corner on the WACO web site. Check it out and you will see just how helpful his articles can be. If you have anything that you would like to be in Doug's corner, please get with Doug [boatman\\_55@sbcglobal.net](mailto:boatman_55@sbcglobal.net) and I am sure that he will put something together or help you put something together.

If anyone knows of any shows or cruise in's that we need to mention please let me know and we will try to add them to our list.

If anyone has a descent pickup truck that they have for sale, please let me know because my father in law is looking for one.

Get your stuff ready to sell at the Swap Meet in Hutchinson in May. It is never to early to get started.

We are still trying to put pictures of members cars on our web site. Please send me a picture or server pictures of your car and a story if you have one and we will get them put on our site.

Dale does a great job of getting them posted, you just have to send them to me [degohring@outlook.com](mailto:degohring@outlook.com) or to David Hime [dhime@sbcglobal.net](mailto:dhime@sbcglobal.net) our new most excellent president.

Do not forget to make your hotel reservations for the **Midwest Chevelle Regionals** that is going to be held in Springfield this year in June. See below for more information.

That is all for now.
