UPCOMING EVENTS & MORE

There are a lot of great shows coming up sooner than you think so you better get ready now.

As you all know I always try to list some of the local events in my updates. You really need to check out our web site for many more local events that are going on. David Hime is doing a good job working with Dale on updates on all of the events. Please take the time to check it out.

Friday Evening – Central and West Street

Tuesday Evening – Sugar Shane's downtown Augusta KS.

Many of you have already heard about a fairly new weekly get together at Sugar Shane's in Augusta. Every Tuesday starting a 6:00 pm they have an

informal car show / get together. I went on Tuesday evening and it was a very nice time. Everyone, about 15 cars, parked in front of Sugar Shane's in parking spots that they blocked off with orange cones. Once you went inside the restaurant / bar you could register for small prizes that they would give out during the evening. The last Tuesday of each month they plan on giving out bigger prizes for those who attend. There were several people attending that I know so the conversation and the food was great. I think this would be a nice little cruise that our members will have fun attending. See you there.

At our next meeting we will have special prizes for those wearing their oldest Chevelle related t-shirts. It can be any Chevelle related shirt. Please come and share your story about your shirt. If you don't have a Chevelle related shirt make sure that you attend anyway.
