WACO family and Friends

It is already June. If you don't get started on those projects you put off until summer it will be over with before you know it. That happens all of the time to me. Those last minute changes you were going to do on your Chevelle to get ready for the Regionals need to be done ASAP. I must be talking to myself on this one. Oh well, we all have things that we are going to put off until it is too late. LOL 😊

We have another new member to WACO. Aaron Hover and Kelly Zens have a 1970 Chevelle Super Sport. They live in Wichita and I am sure will make a great addition to WACO. Make sure that you welcome them into our club the next time that you see them.

Last week I mentioned a man in Hutchinson that I went to see about some 64 parts. I forgot to mention that he has a few other parts for sale that one of you might be interested in. He has a dual plane aluminum intake manifold for a SBC, a Holley 600 CFM Carb in new condition. It was only used to start the engine and then he switched to a dual quad system. He also has a billet air cleaner to go along with it. I believe that he said he would take \$300 for everything. Everything looked like new to me. He also has a 1957 2 door sedan body for sale \$2,500.00 if anyone is interested Ron Enz 620-727-6857 C#.

Kent Davis has a 1966 Impala that he would like to sell. It is a very nice car, in great shape, 90% original and drives as good as they did in the day, He is asking \$15,000.00 for the car Kent David 620-338-7403.

The next **WACO Meeting** will be on June 5th, 6:30 pm at Mimi's Mexican Restaurant in downtown Wichita, They will have special deals on meals for us and Margaritas for \$3.00.

Speaking of the Regionals.

We all need to remember to register for the **2019 Midwest Chevelle Regionals in Springfield**. This is going to be a great Chevelle / El Camino show.

O'Reilly Auto at 6505 E. 37th street North is having another customer appreciation day. **Let's all try to attend this event if we can.** It will be held on Friday June 14th from 12:00 until 3:00 pm. There will be free food and drinks for everyone. We try to help them out by having as many cars there as possible. I think that we all had a good time at the last one that they put on. Remember, they support us during the Midwest Chevelle Regionals. We can show up with our cars as early as 11:00 am. Tell your friends, everyone is welcome.

There are a lot of great shows coming up sooner than you think so you better get ready now.

Friday Evening – Central and West Street

Tuesday Evening – Sugar Shane’s downtown Augusta KS. Many of you have already heard about a fairly new weekly get together at Sugar Shane’s in Augusta. Every Tuesday starting at 6:00 pm they have an informal car show / get together. I think this would be a nice little cruise that our members will have fun attending. See you there.

Cars and Coffee – The third Saturday of each month. “The Alley” 11413 E 13th from 8:00 am until 11:00 am. Do not park in the Warren Theatre parking lot, they do not want us there.

WACO Dues – Most of our members’ dues for membership come **due in March**. If you want to know if your dues are up to date, send me a note and I will tell you. If you are behind by a couple of years or so, we do not expect you to pay all of that, just get current by paying the \$20.00 for 2019.

Our dues help keep the club moving forward and doing things for our members. If you still need to pay your **dues** please mail them to the address shown below.

WACO in the end and in return they get good help. Please think about volunteering. There are plenty of areas to volunteer for. Please see the 04/23/19 WACO update for areas to volunteer for.
