WACO family and Friends

The next **WACO Meeting** will be on June 5th, 6:30 pm at Mimi's Mexican Restaurant, 321 N Mead, in downtown Wichita, They will have special deals on meals for us and Margaritas for \$3.00.

Words to live by “ The early bird gets the worm but the second mouse usually gets the cheese.” Be patient out there.

I thought that we would have a new “Doug's Corner” by now but maybe he is saving it for a special occasion. I shouldn't be saying anything, I have trouble remembering to update our treasurer's report. LOL

Speaking of the Regionals, were we?

We all need to remember to register for the **2019 Midwest Chevelle Regionals in Springfield**. This is going to be a great Chevelle / El Camino show.

O'Reilly Auto at 6505 E. 37th street North is having another customer appreciation day. **Let's all try to attend this event if we can.** It will be held on Friday June 14th from 12:00 until 3:00 pm. There will be free food and drinks for everyone. We try to help them out by having as many cars there as possible. I think that we all had a good time at the last one that they put on. Remember, they support us during the Midwest Chevelle Regionals. We can show up with our cars as early as 11:00 am. Tell your friends, everyone is welcome.

I have added a few events below but David Hime and Dale have updated our web site with a lot more information about events.

Let me know where and when you would like to have the next WACO luncheon.

One good suggestion that I have received is the Pour House in Old Town. Who would like to call them to set something up?

If you want to know where and what show to attend over the weekend then you should contact David Hime. He attends a show or two almost every weekend. Get hold of him and you can meet him there.

I think that the Lake Afton free car show is coming up this month. Are we going to go? When is it?

Karl should be back in town sometime soon from his volunteer work out of state. He volunteers to help build homes somewhere.. Maybe we will see him at an event and get an update.

They help children and their families in times of grief after the loss of a loved one while assist in helping them cope thru their loss as well. The remainder of our proceeds will benefit Lil' Deuce Scoop in assisting to purchase equipment so we can go portable and sell ice cream at events like car shows. I appreciate your time and would ask if you could pass this information and the flyer attached to your members. If anyone has a business and is interested in sponsorship or donating swag bag items, I can send a sponsor flyer at the email below. Hutchinson Fall Swap Meet – Friday Oct 25th 2019 and Saturday Oct 26th 2019 at the Fairgrounds in Hutchinson. We have booth spaces MB-81, 82 & 83.

Oklahoma City Swap Meet - Troy Batson, the gentleman that puts on both of the Hutchinson swap meets has decided to host another new swap meet next year in Oklahoma City on February 28 & 29th 2020. It might be worth the drive, he already has 25% of the booths sold. It is an indoor swap meet. One of our members, Ron Kite has purchased 4 spots and has said that if any of our members have items to sell, they are welcome to put them in with his stuff.

The Chill 2020 - Richard and Robin Bartel gave us updates on "The Chill". They are making great progress in getting everything set up for next year. They would like to line up a bunch of WACO volunteers to help at the show. They always make a nice donation to WACO in the end and in return they get good help. Please think about volunteering. There are plenty of areas to volunteer for. Please see the 04/23/19 WACO update for areas to volunteer for.

Kent Davis has a 1966 Impala that he would like to sell. It is a very nice car, in great shape, 90% original and drives as good as they did in the day, He is asking \$15,000.00 for the car Kent David 620-338-7403.

Last week I mentioned a man in Hutchinson that I went to see about some 64 parts. I forgot to mention that he has a few other parts for sale that one of you might be interested in. He has a dual plane aluminum intake manifold for a SBC, a Holley 600 CFM Carb in new condition. It was only used to start the engine and then he switched to a dual quad system. He also has a billet air cleaner to go along with it. I believe that he said he would take \$300 for everything. Everything looked like new to me. He also has a 1957 2 door sedan body for sale \$2,500.00 if anyone is interested Ron Enz 620-727-6857 C#.
