WACO family and Friends

Important: O'Reilly Auto at 6505 E. 37th street North is having another customer appreciation day. **Let's all try to attend this event if we can.** It will be held on Friday June 14th from 11:00 am until 1:00 pm. There will be free food and drinks for everyone. We try to help them out by having as many cars there as possible. I think that we all had a good time at the last one that they put on. Remember, they support us during the Midwest Chevelle Regionals. We can show up with our cars as early as 10:00 am. Tell your friends, everyone is welcome.

At Lake Afton this weekend I spoke with Mike Thurman, one of the officers of the car club the D-Dudes about the Friday evening show that they support every Friday evening at Central and West Street. He said that because of the problems that they are having with some of the younger people that show up at 8:30 or after they will probably not support that show any more. Mike said that he and some of the other D-Dude members have been physically threatened by some of these younger people when they asked them to stop what they were doing. This is probably another event that will be cancelled because of people who do not respect others and have to screw things up. What a shame. We will see what happens.

I also received a flier from Mike Thurman about a raffle for some Snap-On tool boxes. The tickets for the tool boxes are \$10.00 each and can be purchased at either the Kruzin for Kids car show and cruise on October 27th or at Cruzin for Food on November 10th.

You can contact Ron Wagoner 316-295-7600, Mike Thurman 316-644-3302, Danny Boyes 316-685-6590 or Cheryl Boyes 316-209-8422 for more information.

Yes, several of us went to the Lake Afton Car Show on Sunday. Because of the weather there were only about a third of the cars present that are normally there. This still meant that there were 2-300 cars there, plenty to look at. It was kind of cold and a little windy and since I only wore shorts and a t-shirt I wussed out and went home early. It was still fun and I got to talk to some of my friends while I was there.

Words to live by "The early bird gets the worm but the second mouse usually gets the cheese." Be patient out there.

Speaking of the Regionals, were we?

We all need to remember to register for the **2019 Midwest Chevelle Regionals in Springfield**. This is going to be a great Chevelle / El Camino show.

If you want to know where and what show to attend over the weekend then you should contact David Hime. He attends a show or two almost every weekend. Get hold of him and you can meet him there.

There are plenty of areas to volunteer for. Please see the 04/23/19 WACO update for areas to volunteer for.

FOR SALE

Kent Davis has a 1966 Impala that he would like to sell. It is a very nice car, in great shape, 90% original and drives as good as they did in the day, He is asking \$15,000.00 for the car Kent David 620-338-7403.

Last week I mentioned a man in Hutchinson that I went to see about some 64 parts. I forgot to mention that he has a few other parts for sale that one of you might be interested in. He has a dual plane aluminum intake manifold for a SBC, a Holley 600 CFM Carb in new condition. It was only used to start the engine and then he switched to a dual quad system. He also has a billet air cleaner to go along with it. I believe that he said he would take \$300 for everything. Everything looked like new to me. He also has a 1957 2 door sedan body for sale \$2,500.00 if anyone is interested Ron Enz 620-727-6857 C#.

Parts Wanted:

I am looking for a large movable tool chest /cabinet in good shape at a reasonable price. I am also looking for older Honda motorcycle's and parts.

Let me know where and when you would like to have the next WACO luncheon.
One good suggestion that I have received is the Pour House in Old Town.
