## WACO family and Friends

I hope that all of you Fathers out there had a great Father's Day, like I did.

The O'Reilly Customer Appreciation day turned out really good. John even dug out his original unmolested 1967 Chevelle 300 out of the back of his garage and drove it there. It is really a neat old car. I hope everyone will get to see it again real soon.

There were some real nice cars there and we filled up half of the parking lot. The free food was great, isn't free food always good. 😊 It was fun for everyone that was able to show up.

Doug and Becky sent me some good pictures of the O'Reilly show but I can't send them all at once or it will make the file too large for my computer. I did attach 3 pictures. I will send all of them to Dale so we can see them on our web site.

Doug did have some words to live by during the O'Reilly get together but I forget what they were so you need to remember to ask him about his words of wisdom. LOL

Oh here they are, Doug was smart enough to send his words of wisdom to me, so here they are.: Heard a good one this week to share. No matter how big and bad you think you are, if a child hands you a play cell phone, you answer it! ☺

This month our **WACO luncheon** will be on Friday June 21<sup>st</sup>, 1:00 pm at Stearman Field Restaurant & Bar, 14789 SW. 30<sup>th</sup> in Benton Kansas. We should have a choice of being inside the restaurant or outside in their covered area. We can decide when we get there, depending on the weather. Steve Steigerwald will be in town from Pennsylvania and should be able to join us there. Come on by to say hi.

If you get the chance you might let me know if you are going to attend the luncheon so that when I call them as a reminder I can let them know how many of us are coming.

Where do you want to have our next meeting. Should we change the date for our next meeting? The first Wednesday of the month is on July 3<sup>rd</sup>, is that too close to the holiday? Please let me know what you think so I can inform everyone about what we are going to do.

I received a flier from Ron Wagoner about a raffle for some Snap-On tool boxes. The tickets for the tool boxes are \$10.00 each and can be purchased at either the Kruz in for Kids car show and cruise on October 27<sup>th</sup> or at Cruz in for Food on November 10<sup>th</sup>.

You can contact Ron Wagoner 316-295-7600, Mike Thurman 316-644-3302, Danny Boyes 316-685-6590 or Cheryl Boyes 316-209-8422 for more information.

I understand that Harry Gerling has put his 1966 Chevelle SS big block car up for sale. For more information please contact Harry [hgerling@cox.net](mailto:hgerling@cox.net)

We all need to remember to register for the **2019 Midwest Chevelle Regionals in Springfield**. This is going to be a great Chevelle / El Camino show.

If you want to know where and what show to attend over the weekend then you should contact David Hime. He attends a show or two almost every weekend. Get hold of him and you can meet him there.

## **UPCOMING EVENTS & MORE**

### **Friday Evening – Central and West Street**

At Lake Afton this weekend I spoke with Ron Wagoner, one of the officers of the car club the D-Dudes about the Friday evening show that they support every Friday evening at Central and West Street. He said that because of the problems that they are having with some of the younger people that show up at 8:30 or after they will probably not support that show any more. Mike said that himself and some of the other D-Dude members have been physically threatened by some of these younger people when they asked them to stop what they were doing. This is probably another event that will be cancelled because of people who do not respect others and have to screw things up. What a shame. We will see what happens.

**Tuesday Evening** – Sugar Shane's downtown Augusta KS. Many of you have already heard about a fairly new weekly get together at Sugar Shane's in Augusta.
