WACO family and Friends

It looks like there is a lot going on this weekend. From a Swap Meet in Erie Kansas, the Ace Hardware show in Maize Kansas to Draggin Douglas in the evening. FREE ice cream. What a fun day that should be.

Speaking of Draggin Douglas, you can take a break from all of that fun by stopping by **Richards Little Dairy Queen** on Lincoln and George Washington Boulevard for some **FREE ice cream**.

We have made arrangements with Richard so that **between 8:00 pm and 9:00 pm on Saturday**, if you are a member of WACO you can get a cold treat for FREE. I will be there on Saturday between 8 and 9 with the tickets for the treat. **You must have a ticket.**

Bring your family and friends, we want to include everyone. Even if you are not going to drag Douglas and all you have is your daily driver, come by the DQ for a treat. We will see you there.

David Hime mention that if you are going to the ACE Hardware show and would like to cruise with him then please give him a call and you all can make arrangements to cruise out there together.

David said that this is a real nice show with lots of cars.

Don't forget about the swap meet in Erie. It will not be a huge swap meet but with all of the events that will be going on it should be fun.

Speaking of Chuck West. You all remember Chuck, the man with the harmonious voice that he would use to serenade people on their birthdays, right. Mike and I spoke with him the other day and he donated some Chevelle parts to WACO so we can sell them at the next swap meet to raise some funds. It sure was good to see Chuck and Linda.

If you want to know where and what show to attend over the weekend then you should contact David Hime. He attends a show or two almost every weekend. Get hold of him and you can meet him there.

Oklahoma City Swap Meet - Troy Batson, the gentleman that puts on both of the Hutchinson swap meets has decided to host another new swap meet next year in Oklahoma City on February 28 & 29th 2020. It might be worth the drive, he already has 25% of the booths sold. It is an indoor swap meet. One of our members, Ron Kite has purchased 4 spots and has said that if any of our members have items to sell, they are welcome to put them in with his stuff.

The Chill 2020 - Richard and Robin Bartel gave us updates on “The Chill”. They are making great progress in getting everything set up for next year. They would like to line up a bunch of WACO volunteers to help at the show. They always make a nice donation to WACO in the end and in return they get good help. Please think about volunteering. There are plenty of areas to volunteer for. Please see the 04/23/19 WACO update for areas to volunteer for.
