WACO family and Friends

I meant to send out something yesterday but the day got away from me and I didn't get it done.

David Hime and Karl Koenig both wanted me to remind everyone about the WFO car show going on in Augusta today. We have several members that are going so you might want to head on over there for a real good show.

Wednesday August 7th at 6:00 pm. We will have our monthly meeting at Spears Restaurant over on the West end. Around Maple and West Street I think. See you there.

David Hime, our illustrious president has just recently given Dale a bunch of updates for our web site so there should be a bunch of new stuff there.

Many of you know Scott Downey 316-640-5321 the interior guy in Wichita. He has stuffed a big block in his 1964 Chevelle 2 door wagon and needs some of the brackets and pulleys for the front of the engine. He wants the original type stuff for the short water pump. If you have anything that he can use then give him a call.

There is a Shriners fund raiser going on today at the Cessna Activity Center from 1:00 until 6:00 pm. It is called their Sportsman Event. There is a \$20.00 entry fee but I think that entry fee also registers you for one of the raffle's that is going on. I think that they are going to raffle off a bunch of stuff for their fund raiser. I think that they are going to raffle off some guns also. Go check it out.

For more car related things to do in August, please check out our web site.

We are planning a cruise to Ron Flemings house in Clearwater on August 24th. We are trying to plan a nice cruise route to get to Clearwater for that morning. We haven't made the final plans on the cruise part of the day yet, but it should be a nice hour long or so cruise. It will be a great chance to drive the ole Chevelle or whatever you have.

There will be a free lunch for all WACO members, friends & family. There will be some soft drinks and water provided so if you want something else, BYOB. Cruise details next week.

There are a lot of things going on in the next couple of months. Please check out our web site.

That is all for now.
