WACO family and Friends

The **Cruise to Ron Fleming's house** is a **Rain or Shine** event. If it is raining or something then just drive your daily driver but please make sure that you attend.

There will be a free lunch for all WACO members, friends & family. There will be some soft drinks and water provided so if you want something else BYOB.

Here are the details for the cruise. We will meet at Spangles on the Southwest corner of Andover Road and Kellogg at 9:30 am Saturday August 24th. From there we will drive straight South on Andover road, through Rose Hill and on down to Udall. At Udall we will drive due West on Highway 55, through Bell Plaine. After Bell Plaine you just keep going West until you see the sign that points North to Clearwater. The road will make a couple of turns as you get to Clearwater. The stop sign is the main road going East and West through Clearwater, Ross I think it is. When you hit the stop sign turn right (East) and you will reach Ron's place (820 East Ross) in a few blocks on the left side (North) of the road.

The drive is approximately 53 miles and should take just over an hour so we should arrive around 10:40 am. All of the roads are paved and in good condition.

Please come and join us for the cruise no matter what you drive. It is a fairly scenic route and should be a fun drive. If you want to ride with someone, just ask.

I will see you there.

Speaking of Ron and the many things that he participates in. Here is a note that Ron sent me last week.

I thought you might want post this in your WACO E-Mails. I went to Street Car Take Over in Oklahoma City which goes all over the U.S., recently. This is 1/4 mile drag racing with several classes, most the cars were newer cars of all kinds, lots of turbos/nitrous, some running in the 8's. I ran the slowest class 12.00. It had around 40-50 cars entered, If you run faster than 12.00 you're out. I got in the finals running a 12.03, the other guy ran 12.01 so I got runner up. Ron Fleming

Speaking of the **WACO Luncheon**. We have decided to mix it up a bit and have our next luncheon on Friday August 30th. Maybe some people who can't always attend will get to if we have it on Friday.

We will have the luncheon at 1:00 pm as usual. This time we are going to have it in a different town, Peck Kansas.

We will meet at the Boudreaux Burger Barn, 1499 N Meridian Rd Peck Ks, 316-524-2763. You can google them or find them on facebook to figure out the best way to get there. They are south of Wichita down toward Mulvane and should be very easy to find. I hear that the food is very good.

For more car related things to do in August, please check out our web site.

It may sound like it is too early to mention that we will be having another swap meet in October but it will be here before you know it. As usual our club will have 3 booth spaces so that our members can sell their extra parts. Plan now or you won't be ready in time. 😊

We are in the process of planning some day trips for our club. Becky was kind enough to share some very good locations for cruises that she got out of a local magazine.

If you have some thoughts on some fun places to cruise to then please share them with me so we can add them to our plans.

We will try to plan these day trips on Saturdays and Sundays so that everyone can have the chance to attend.

Sunflower Lodge – Car Show at Davis Moore, If you are still looking for good car shows to attend then the Sunflower Lodge car show at Davis Moore on September 14th 2019 10:30 am until 4:00 pm is a great show to attend. It is a very good show with lots of things going on. We should all try to attend this show and park together as a club. For those who wish to pre-register there were fliers handed out at our last meeting. I think Doug and Becky have more of them. For more information contact Ron 214-924-4338 or Lucas 316-253-7136.

Chevelle Car Show – September 27th & 28th 2019, Kansas City, Kansas in the Furniture Mart parking lot. I want to remind everyone that our Chevelle friends in KC are going to have their annual show in September on the 27th & 28th. If you get the

chance you should try to support their show by attending. They have also volunteered to be the hosts for the 2020 Midwest Chevelle Regionals.

Parts wanted:

Many of you know Scott Downey 316-640-5321 the interior guy in Wichita. He has stuffed a big block in his 1964 Chevelle 2 door wagon and needs some of the brackets and pulleys for the front of the engine. He wants the original type stuff for the short water pump. If you have anything that he can use then give him a call.
