## **WACO family and Friends**

Last week was a really good week.

What a great time it was at the swap meet this year. We didn't set the world on fire with our sales but I think everyone had a good time. It was really good to see all of our friends that did show up looking for that bargain. I even sold a few things including that little moped type cycle that I had. I tried to give it to most of the members that were at the swap meet but no one took it until finally one very smart person came along and bought it. 😊 Life is good!!!

I have attached a couple of pictures taken at the swap meet plus a picture of the goats / sheep that showed up at my place one day, I think that they were looking for the swap meet. 😊

I thought that the WACO luncheon was a huge success on Tuesday. We had a bunch of members show up, the food was good and the company / conversation was excellent.

Please give me suggestions on where you would like to go in November.

We still have a lot of fun WACO events to attend this year. WACO meetings, luncheons and the Christmas / New Year's Eve party. Plus there are still car related events going on, see below.

Please let Doug know if you plan on putting your car in the Devlin, Starbird or Cars for Charity Show, whatever it is called. If you are interested in displaying as a club please let Doug know. If you want to be in the show you need to get registered ASAP if not sooner.

We should all plan on attending the **Hobo Happening** this year in Douglas as a club. Maybe we can meet somewhere and cruise in together.

This is a fun show with wine (in bottles) for trophies and free beans a cornbread. It is sometimes a bit cold and maybe a little snow but it is still a fun event. We can all still attend even if we don't take our Chevelle's. I think Doug wants to head up this event as a POC. See below for more information. It is a fun show and I think that everyone will enjoy themselves.

We have the next meeting spot planned, see below. If you all would like to have food or snacks at the meeting please send me your suggestions. Do we want to order something in, bring stuff pot luck style or just have snacks.

We would also like everyone to bring any pictures that they would like to share and we will try to display them on the TV in Mike's shop. If you have something that would help with this process then please bring it along. We will also be reviewing our web site.

We have quite a few things to discuss about events that are happening between now and the end of the year so please plan on attending.

We have placed our calendar and book order but if you still need something please let me know.

WACO Christmas / New Year's Eve Party – Saturday December 28<sup>th</sup>, 2019 from 5:00 until 9:00 pm. At the House of Schwan, 3636 N Comotara. It should be a great time so reserve the date on your calendar.

Please check out our website for more automobile related things to do.

A new twist - and the flyer is also attached - a very generous couple has donated (2) Snap-On toolboxes. A RED one for Kruz'n for Kids and a BLACK one for the Cruisin for Food event. We have raffle tickets for \$10 per ticket for each box - all proceeds from these two raffles will go to Toys for Tots and the Kansas Food Bank. I need to know ASAP if you want one of the **Chevelle Calendars** that Dale prints each year.

We can get them at a discounted price if we order them together. See note below.

If you want any of Dale's books or literature please send me a note or call me so that I can add them to the order.

We will try to put together an order for **Calendars** with Dale again this year. If you want a calendar or anything else that he has for sale then please let me know and we will order everything at one time. Dale has a lot of good information in his books that we can all use. I bet that he would autograph the books and calendars for us if we asked him to.

Note from Dale:

I have ordered 50 initial copies of the 2020 calendars featuring the 1970 Chevelle. I am promised them by October 26 and I am taking preorders now. These will make great Christmas gifts for that 1970 Chevelle owner.

The cover features one red, one white, and one blue convertible. Each month from January thru November has two Chevelles featured and December has all four 396/454 engines of the SS396/SS454 options. Sport coupes, convertibles, and El Caminos are featured. See the calendar months here:

I can offer a 10% discount on group orders (shipped to one address) off quantities of 5 or more. Get with your club members and friends and work up an order. Do not use the online PayPal or credit card order pages for this group offer. Let me know what you want and I'll send a quote. If you wish to use PayPal, I'll send an invoice via PayPal; if you wish to pay by credit card or check I'll send an invoice to a single point of contact.

Orders of less than 5 copies can still be ordered via the website but, sadly, I cannot offer a discount on fewer than 5 or more copies.
