WACO family and Friends

This is the last WACO Update of the month, I promise. 😊

I hope that you are all planning on having a happy and safe Halloween tonight.

Many of you have ordered calendars and or books and I hope to have them in time for our next meeting on Wednesday November 6th.

Please plan on paying for them and picking them up at the meeting.

Speaking of our next meeting we thought that we would have a taco / Mexican food themed night. You do not have to bring anything to be able to attend and eat but if you would like to bring something, that would be great. If you need reimbursed for what you bring then just write me a receipt and I will get you paid.

If you can, Please let me know what you are going to bring so we won't have to many duplicates.

Soft drinks and water will be provided. Doug and Becky are going to bring a Taco Tater Casserole. It sounded real good to me. I don't know what I am going to bring yet but I will figure it out.

If you are going to bring beer as your choice of beverage, do you think it should be some kind of Mexican beer? Plan on sharing your Modelo Especial with Doug. 😊

We would also like everyone to bring any pictures that they would like to share and we will try to display them on the TV in Mike's shop. If you have something that would help with this process then please bring it along. We will also be reviewing our web site.

We have quite a few things to discuss about events that are happening between now and the end of the year so please plan on attending.

I watched a very interesting YouTube video the other day and I thought that I would share.

Go to your YouTube stuff and look for Project Farm and or look for Does fuel stabilizer prevent ethanol damage. It is a yearlong experiment on what fuel can do to a carb if left in it. It was very interesting.

We should all plan on attending the **Hobo Happening** this year in Douglas as a club. Maybe we can meet somewhere and cruise in together. This is a fun show with wine (in bottles) for trophies and free beans and cornbread. It is sometimes a bit cold and maybe a little snow but it is still a fun event. We can all still attend even if we don't take our Chevelle's. I think Doug wants to head up this event as a POC. See below for more information. It is a fun show and I think that everyone will enjoy themselves.

WACO Christmas / New Year's Eve Party – Saturday December 28th, 2019 from 5:00 until 9:00 pm. At the House of Schwan, 3636 N Comotara. It should be a great time so reserve the date on your calendar.

Please let Doug know if you plan on putting your car in the Devlin, Starbird or Cars for Charity Show, whatever it is called. If you are interested in displaying as a club please let Doug know. If you want to be in the show you need to get registered ASAP if not sooner.

Please check out our website for more automobile related things to do.

A new twist - and the flyer is also attached - a very generous couple has donated (2) Snap-On toolboxes. A RED one for Kruz'n for Kids and a BLACK one for the Cruisin for Food event. We have raffle tickets for \$10 per ticket for each box - all proceeds from these two raffles will go to Toys for Tots and the Kansas Food Bank.
