WACO Family and Friends

Today's WACO Update is courtesy of Becky Stukey our secretary.

She does such a great job of taking the minutes I didn't have anything to add, for now.

Nov. 6, 2019 Meeting Minutes

The November 6, 2019 meeting of WACO was held in Mike's man cave. After a delicious taco bar supper David Hime started the meeting. We had 18 members present for the meeting.

David Hime started the meeting with a report of the success of the Hutchinson Swap Meet. David Gohring reported that we made around \$326 from the swap meet and that we also renewed our booths for next year. David Hime said that because of all the good help at the swap meet it was very successful.

Sunday, November 10 at the Central & West location will be the Cruisin' for Food event. If interested meet at Central & West at 11:30 and then all the cars will cruise together to the Food Bank to donate food for the upcoming holiday season. Then you can cruise to the VA Hospital for a Vet Car Show from 2-5 PM

Saturday November 23 is the Hobo Happening in Douglas. This is the last car show of the year and we want to encourage as many from the club to come as possible. There was discussion on meeting at a central location and cruising there together but nothing specific was decided. Watch for an upcoming email for more details. This particular car show is special in that the town feeds everyone who comes to the event ham and beans and cornbread. This show is usually very cold so come dressed for the cold weather. There are a couple of interesting places to go so that you can warm up from looking at the cars. There is a little museum there that is interesting and you can warm up there. They also sell crafts and bake sale items in the gymnasium where you can warm up also. You will see some very unusual vehicles that you probably won't see at any other car shows. The other unique aspect of this car show is that the winners receive a bottle of wine as their prize.

Coming Jan. 17-19, 2020 is the Cars for Charities- otherwise known as the Starbird-Devlin car show. Doug was encouraging as many of the club members to register soon if they want to attend as this show sells out early. But the hope is to get several club members to attend and be able to park together in the show. At this time it appears that David Hime, Doug Stukey, Mick & Margaret Lafferty, and Bill Washburn have plans to take their cars to the show. This is a good mid-winter car

event where you can be inside a heated building and detail your car to your heart's content. With your registration come 2 arm bands that allow you to come and go at the show all weekend to your heart's content. If you are interested in attending get your registration forms online and send them in as soon as you can!

David Hime expressed his thanks to David Gohring for arranging the ice cream at Little Richard's Dairy Queen this last year. Everyone expressed interest in continuing this idea next summer once the DQ is open again for the season.

December 28, 2019 is our annual Christmas and New Year's Eve Party at the House of Schwan from 5-9 PM. We discussed what we would like to do for the gift exchange this year. It was decided to just have the regular gift exchange and not do the white elephant exchange this year. The club voted to keep the gift around \$20. You do not have to participate but if you want to, bring a gift already wrapped. We will also have a pot luck supper so bring a dish to share. The drinks will be provided from the House of Schwan. They have beer on tap and soft drinks. You can bring your own bottle of wine if you want but no hard liquor. We will need some volunteers to cook the main meat dishes, such as a turkey and a ham. We are also looking for some volunteers who will be willing to help buy extra Christmas gifts for the club as well as gifts for the kids that attend the party. Connie, Becky and Margaret volunteered to help buy some of the extra Christmas presents.

We also discussed whether to invite the Parrot Head Club or not. It was decided that for Christmas it will be just WACO members and their families. Jay has permission however to let any Parrot Head members who are familiar with the party and who ask about it to let them know the date to come. When we have our Chili Feed after The Chill then we will invite all of the Parrot Heads that help with The Chill to come to our Chili Cook-off event.

There was no new information on The Chill.

Nov. 15-16, 2019 at the Kansas Star Casino is a pre-world war masterpiece car show. It is supposed to have some steam powered vehicles as well as other things to see.

David Gohring gave our Treasurer's report. We still have some money that we can use for the Christmas party.

David Gohring passed around a paper for people to put suggestions of places to go for our WACO luncheons.

David also announced he had the Chevelle calendars and that if you ordered one you could pick it up and pay for it after the meeting. The calendars cost \$15 each.

Meeting adjourned and visiting commenced after that.
