

11/14/19

WACO family and Friends

We should all plan on attending the **Hobo Happening** this year in Douglas as a club. Maybe we can meet somewhere and cruise in together. This is a fun show with wine (in bottles) for trophies and free beans and cornbread. It is sometimes a bit cold and maybe a little snow but it is still a fun event. We can all still attend even if we don't take our Chevelle's. I think Doug wants to head up this event as a POC. It is a fun show and I think that everyone will enjoy themselves.

Save \$5.00 on your entry fee by pre-registering. Earl said that he would send you the entry form if you would just give him a call, Earl 316-371-8305.

If you would like to cruise to the show together please meet in the Spangles parking lot on the Southwest corner of Hwy 54 and Andover Road at 9:00 am on Saturday the 23rd. The show starts at 10:00 so we should be able to be there on time if we do not BS to long at the meeting spot.

Please save me a spot at the show if I miss the 9:00 am meeting. ☺

If it is a really nasty day you may not want to drive your Chevelle but you can still come.

This month we are going to have our luncheon at B&C BBQ joint 355 N Washington, (at 3rd and Washington). If we meet there Tuesday the 21st at 1:00 we should be able to miss the lunch crowd and get some great BBQ. I believe that they have an all you can eat buffet or you can order off the menu.

This choice was determined by everyone that attended our last meeting. Good choice.

Speaking of our last meeting, it was great as far as I am concerned. Good meeting spot, good food and great company. I would like to thank everyone for attending and especially those who went way out of their way to bring all of that delicious food. If you missed the jalapeno poppers then you missed a spicy treat.

Most of the calendars that were ordered were picked up at the meeting. We have a few more that need picked up by we will get that taken care of shortly I am sure.

Dan just recently sent me some tips on how to store your car for the winter. I hope that you can follow the link below, it worked for me, if not well then I tried. 😊

Winter warning: 5 tips for storing your classic.

'TIS THE SEASON

[5 tips to prepare your vintage ride for storage](#)

Brace yourselves, winter is coming. It's the time of year when those in less temperate climates are forced to tuck away their classic cars to spare them from salt and bad weather. To ensure your car is ready for its first spring drive, [here are five quick tips](#) for properly storing your ride.

WACO Christmas / New Year's Eve Party – Saturday December 28th, 2019 from 5:00 until 9:00 pm. At the House of Schwan, 3636 N Comotara. It should be a great time so reserve the date on your calendar. We discussed what we would like to do for the gift exchange this year. It was decided to just have the regular gift exchange and not do the white elephant exchange this year. The club voted to keep the gift around \$20. You do not have to participate but if you want to, bring a gift already wrapped. We will also have a pot luck supper so bring a dish to share. The drinks will be provided from the House of Schwan. They have beer on tap and soft drinks. You can bring your own bottle of wine if you want but no hard liquor. We will need some volunteers to cook the main meat dishes, such as a turkey and a ham. We are also looking for some volunteers who will be willing to help buy extra Christmas gifts for the club as well as gifts for the kids that attend the party. Connie, Becky and Margaret volunteered to help buy some of the extra Christmas presents.

We also discussed whether to invite the Parrot Head Club or not. It was decided that for Christmas it will be just WACO members and their families. Jay has permission however to let any Parrot Head members who are familiar with the party and who ask about it to let them know the date to come. When we have our Chili Feed after The Chill then we

will invite all of the Parrot Heads that help with The Chill to come to our Chili Cook-off event.

Please let Doug know if you plan on putting your car in the Devlin, Starbird or Cars for Charity Show, whatever it is called. If you are interested in displaying as a club please let Doug know. If you want to be in the show you need to get registered ASAP if not sooner.

Just a thought, not my own for sure.

Having friends in this hobby is pretty much what makes this whole car thing fun. Sure cruising in your hot rod or muscle car is great for a while, but it gets a little old when you don't have your friends around to share the drive with. If you played golf it would be like making a hole in one with no witnesses or no one to share the accomplishment with.

You will all be happy to know that I got a personal tour of the Tanks, Half Tracks and Deuce and a Half's that are in the warehouse / museum at 33rd and North Emporia. It was great. 😊

We will all get to tour the facility when they get permission from the city to allow visitors. I think that the last step for the approval is that they have to put in a fire sprinkler system. I will give you updates when I receive them.

UPCOMING EVENTS & MORE

Friday Evening –

Cars and Coffee –

Draggin Douglas –
