WACO family and Friends

I hope that everyone had a great Thanksgiving with all of their friends and family.

I would like to thank everyone that attended the Hobo Happening car show this year. It was a fun event and the ham and beans were great. I think that we had 10 of our member's cars there. Some left before we could take a picture of everyone's cars that attended. During and after the award ceremony we all joked about the show being a Ford show because most of the awards were given our two old Ford hot rods. Later it was explained to me that this show was started by Douglass locals with the saying "we drive our junk". So that might explain why they might have centered their trophies around that kind of entry in the show. The awards really don't matter to most of us because we are there to enjoy seeing all of the cars and getting to BS with our friends. All in all it was a good show. I have attached a couple of pictures that Doug took at the end of the show.

Our next meeting will be held at Spears Restaurant and Pie shop, 4323 W Maple at 6:30 pm on Wednesday December 4th. I have made reservations for us in a separate room and I let them know that we would have approximately 25 attending. I think that WACO should buy a piece of pie for everyone that attends. Let me know if you agree. Please plan on attending so we can discuss our plans for our Christmas / New Year's Eve party.

Below is some of the stuff that we have discussed about the Christmas party.

WACO Christmas / New Year's Eve Party – Saturday December 28th, 2019 from 5:00 until 9:00 pm. At the House of Schwan, 3636 N Comotara. It should be a great time so reserve the date on your calendar. We discussed what we would like to do for the gift exchange this year. It was decided to just have the regular gift exchange and not do the white elephant exchange this year. The club voted to keep the gift around \$20. You do not have to participate but if you want to, bring a gift already wrapped. We will also have a pot luck supper so bring a dish to share. The drinks will be provided from the House of Schwan. They have beer on tap and soft drinks. You can bring your own bottle of wine if you want but no hard liquor. We will need some volunteers to cook the main meat dishes, such as a turkey and a ham. We are also looking for some volunteers who will be willing to help buy extra Christmas gifts for the club as well as gifts for the kids that attend the party. Connie, Becky and Margaret volunteered to help buy some of the extra Christmas presents. We also discussed whether to invite the Parrot Head Club or not. It was decided that for Christmas it will be just WACO members and their families. Jay has permission however to let any Parrot Head members who are familiar with the party and who ask about it to let them know the date to come. When we have our Chili Feed after The Chill then we will invite all of the Parrot Heads that help with The Chill to come to our Chili Cook-off event.

48% of car accident casualties (where seat belt status was known) were unbuckled at the time of the accident.

Use of seat belts decreases risk of car accident fatalities by 45% and reduces risk of critical injury by 50%.

Seat belts reduce risk of ejection from vehicle (which result in 80% of car crash fatalities) by 99%.

Let's all wear our seat belts, drive defensively and safely.
