WACO family and Friends

If you missed our last meeting then you missed out on a good time. Good conversation, good food, good friends and plenty of new items to discuss. I think we had 25 members at the meeting. Becky probably got a better count than I did.

One topic of discussion was the antique tag law that the state is talking about trying to enforce. They have not enforced it in the past but that doesn't mean that they won't.

The trip to Topeks was delayed because they moved the item back to be discussed at a later date. We will pass on any information that we get.

David Hime, our illustrious president, spent some time finding out what he could on the subject. Below are the links that he gave me to share with everyone.

Here's the links to the Antique Tag issue we talked about at last night's meeting. You might want to pass this along to our members.

With Dale's help, David Hime has been trying to keep our web site updated with all of the things that are going on in the Wichita area. That is a

lot of work with all of the things that are starting up in 2020.

www.wichitachevelle.com

I have failed to pick up a "Cruzin 20" car event magazine so I don't have the latest information in front of me to pass on. Go to our web site and you will find a lot of good information. www.wichitachevelle.com

David Hime also mentioned that the Automobilia car show is going to change their location this year. Instead of taking up all of Old Town, they will have their show on Douglas this year from where the train station is all the way East to Hydraulic. It should be interesting.

I spoke with Jim Maybrier with the MAD swap meet this morning and he said that things were going great for the swap meet at the Mid America Dragway so far. He has a lot of spots sold and he expects to get a lot more sold before the event. At the meeting I mentioned that our spot B1 is 20' x 20' which was wrong. Our spot B1 is 20' x 30'. It is still a bigger spot than what we currently have at the other swap meets. I hope you all plan on bringing stuff to the swap meets this year.

David Hime also mentioned that the Marauders will be having their annual show at the Kansas Star Casino and that if we put 10 or more cars in the show together we can save \$5.00 on the entry fee. Please Contact David Hime or Doug Stukey if you are interested in entering the show. It will be on April 25th I understand.

It is a new year so that means that most of us **need to renew our memberships**. You can renew at any of our meetings or mail a check to WACO, 7550 N Greenwich, Wichita KS 67226. Keep the club strong by renewing yearly.

If you have anything that you want me to mention in the WACO Update, please send me an e-mail or give me a note so that I will remember to put it in.

Please send me your suggestions on meeting locations, cruise destinations and luncheon locations. We will try to work them all in next year.
