

02/18/2020 – 02/28/2020

WACO family and Friends

We had a great turnout at the WACO luncheon. We had around 18 people there and the food was good.

I wanted to mention to everyone that when we are having a luncheon or meeting, you do not have to drive your special car. No one expects you to get your vehicle out in crappy weather but you can still join us and drive your daily driver. It is all for fun.

Our next WACO monthly meeting is going to be held at Mike Howell's house again. This month Waco will provide soft drinks and snacks. I don't know what the snacks will be at this time. The meeting will be held on **Tuesday March 3rd at 6:30 pm, 134 N Dowell**. We have a lot of items to discuss so it should be a good time.

Doug and Becky gave me a thumb drive that has some interesting videos on it from when they were restoring their 66 Chevelle. My wife Sandy got it working on our computer so at the next meeting we can have a laugh and watch it.

It appears that the overwhelming response on the two car shows in April is that we should attend the Norwich show as a club. At the next meeting we will discuss what plans we need to make to attend the show.

Once again this year we are going to have a cruise night in conjunction with the Draggin Douglas nights. Like last year we will set something up with Richard at Richard's Little Dairy Queen so we can go there for some free ice cream. It was a lot of fun last year so we plan on doing it again this year.

I received a copy of the swap meet spaces for the Wichita swap meet the other day and I noticed that it looks like we are in the same spot as we were last year. Good or bad at least we know where we are going to be.

David Hime has been trying to keep up with what is going on with the **antique tag stuff**. This is what he found out. "I just looked at HB 2528 & it passed the house vote 124 to 1. It will now go to the Senate. If it passes there it will then go the Governor to be signed. If it gets Vetoed then it will have to go back thru both houses & will need a 2/3's vote to become law". Here is a link that several people shared with me so you can see what is going on. **House Bill 2528** http://www.kslegislature.org/li/b2019_20/measures/hb2528/

As I was writing this update I received a call from Roger V. I from the KC Chevelle club about the **antique tag law**. He said that he found out that the bill passed the House, it has passed the Senate and the governor has said that she will sign it. That is good news for many.

We can now get registered for the **33rd Annual Midwest Chevelle Regionals** in Kansas City. Go to www.midamericachevelles.com to get your registration form. September 25th – 26th 2020 will be here before you know it. Maybe we can cruise up together if we plan ahead. I don't know what the souvenir t-shirts will look like yet but I bet they will be nice, so please order yours in advance. It really helps the hosting club. There will be 1,000 point judging available for the first 25 cars that sign up for it. They do not have a host hotel but there are two or three hotels real close that we can choose from. David Hime said that he would get us some information on them and Roger with the KC club said he we try to get something posted on their web site.

It is a new year so that means that most of us **need to renew our memberships**. You can renew at any of our meetings or mail a check to WACO, 7550 N Greenwich, Wichita KS 67226. Keep the club strong by renewing yearly.

At the next meeting bring the oldest Cruzin Calendar of Events magazine that you have. If yours is the oldest one you will receive the grand prize.

If you have anything that you want me to mention in the WACO Update, please send me an e-mail or give me a note so that I will remember to put it in.

Please send me your suggestions on meeting locations, cruise destinations and luncheon locations. We will try to work them all in next year.

I know that I am forgetting something, probably several things, but that is all for now.
