WACO family and Friends

Doug and Becky had a good idea. Since we can't get together at this time we should virtually share what we have going on. See below. Share your pictures and stories and we will pass them on either in an e-mail or maybe on our website. You can send them directly to everyone if you want to.

Hi You guys: Hope this brightens your day. We decided to have a Virtual Barbeque Day. The idea was we would smoke something and share the pictures, since we are under a stay at home order with the virus and all. Becky used the last of our frozen Pears to make a pie. There are pictures attached. Tip back a Corona/Cerveza the anti-virus beverage. LOL Doug and Becky

Clearwater has been doing a main street cruise Sunday evenings (5:00) the last two Sundays. Last Sunday was a crazy lot of cars, there was 30-40 older classic/muscle cars. Some parked and watched the parade, they ask to stay in cars or 6ft apart. I can keep everyone posted on next Sunday. Ron Fleming

I will pass on updates as I receive them from Ron. Maybe we should all cruise over to Clearwater this Sunday. It is a good reason to get the Chevelle's out and not break any rules.

It is a new year so that means that most of us **need to renew our memberships**. You can renew at any of our meetings or mail a check to WACO, 7550 N Greenwich, Wichita KS 67226. Keep the club strong by renewing yearly.

The Pate Texas Swap Meet has been changed to Oct 1st – Oct 3rd, see below.

If someone is looking for a good project car then you need to contact JR and talk to him about the 1965 Chevelle convertible that he has for sale. "65 Malibu Convertible project for sale. Contact JR Dehner at 316-294-9910 or ss396elky@yahoo.com"

As you all know, I spoke with Tammy at The House of Schwann and she told me that all events in their hospitality room are canceled until the end of May. Yes, that means that the WACO Chili Cookoff has been canceled.

We, the WACO officers, would like to hear from everyone about what kind of event you would like to do and when you would like to do it.

We gave a couple of suggestions below, so please give us your thoughts.

Here are a couple of thoughts. This summer after the Covid 19 scare is over maybe we should have a party night with a theme for our food. Maybe a Mexican night, a Hawaiian night or an Italian night or some such thing. If we have the get together during the summer maybe we can all drive our cars to the event. The building will have air conditioning so even if it is hot out we won't be. Please let me know your thoughts so we can put something together and reschedule our time at the House of Schwann.

Kevin Brand and Kent Moxley have both contacted me with parts that they would like to contribute on our 1967 Chevelle project car. TJ and Jay also mentioned that they might have some parts that are available.

I believe that most of you know from the last WACO update that Richard Ramsey donated a 1967 Chevelle Malibu to WACO. If anyone has any 1967 Chevelle parts that you think the club could use on the car, please let me know. You can either donate the parts or if the price is right WACO will buy them. The first thing we need to do is to get the car running.

One of these days we will get together and make a list of the parts that we need to get the car running. To start off with, I know that we are going to need a carb, Intake, intake gasket set, spark plugs, spark plug wires, distributor and a head gasket set. If you use your imagination you can probably think of other stuff that we will need.

If anyone is looking for a 1970 El Camino project vehicle, then you need to call Kent Michael at 393-2192 because he has one for sale.

If anyone is looking for a 1978 to 1982 Super Sport El Camino there is one sitting at Hanks Motors 522-5929, 47th street South and Oliver. It is \$3,995.00, looks kind of rough.

Please send me your suggestions on meeting locations, cruise destinations and luncheon locations. We will try to work them all in next year.

I do not know how many of the events that we list here in our update and our web site are still going on. So if you hear of any closures, please let me know.

We have tried to get special rates from Hotels in the area in the past and found that a better rate could be found on line thru any number of travel sites (Hotels.com, Expedia.com, Tavelocity.com, Booking.com, etc.).

I did a little research and here is a list of the Hotels & Rates (as of yesterday) for that weekend.

I wanted to mention to everyone that when we are having a luncheon or meeting, you do not have to drive your special car. No one expects you to get your vehicle out in crappy weather but you can still join us and drive your daily driver. It is all for fun.
