## **WACO family and Friends**

The information that I have below is what I could find out myself. If you have information that I need to share with the rest of the club, please let me know.

The Twisted OZ motorcycle swap meet has been postponed. I do not have the new date yet. If you hear about a new date, please let me know.

The Mid America Dragway Swap Meet has been postponed until May 29<sup>th</sup> & 30<sup>th</sup>.

Spring Fling in Norwich has been postponed until Saturday September 12<sup>th</sup>.

I had a good time doing the Clearwater downtown cruise on Sunday. It was a great day and I really enjoyed the cruise out there and back.

The Clearwater downtown cruise will probably not happen this Sunday because it will be Easter.

Showdown in the Valley postponed to Saturday, September 12th with move in on Friday, September 11th.

It is a new year so that means that most of us **need to renew our memberships**. You can renew at any of our meetings or mail a check to WACO, 7550 N Greenwich, Wichita KS 67226. Keep the club strong by renewing yearly.

As you all know, I spoke with Tammy at The House of Schwann and she told me that all events in their hospitality room are canceled until the end of May. Yes, that means that the WACO Chili Cookoff has been canceled.

**We, the WACO officers, would like to hear from everyone** about what kind of event you would like to do and when you would like to do it.

We gave a couple of suggestions below, so please give us your thoughts.

Here are a couple of thoughts. This summer after the Covid-19 scare is over maybe we should have a party night with a theme for our food. Maybe a Mexican night, a Hawaiian night or an Italian night or some such thing. If we have the get together during the summer maybe we can all drive our cars to the event. The building will have air conditioning so even if it is hot out we won't be. Please let me know your thoughts so we can put something together and reschedule our time at the House of Schwann.

Bill Washburn, TJ Johnson, Jay, Kevin Brand and Kent Moxley have all contacted me with parts that they would like to contribute on our 1967 Chevelle project car. I believe that most of you know from the last WACO update that Richard Ramsey donated a 1967 Chevelle Malibu to WACO. If anyone has any 1967 Chevelle parts that you think the club could use on the car, please let me know. You can either donate the

parts or if the price is right

WACO will buy them. The first thing we need to do is to get the car running.

One of these days we will get together and make a list of the parts that we need to get the car running. To start off with, I know that we are going to need a carb, Intake, intake gasket set, spark plugs, spark plug wires, distributor and a head gasket set. If you use your imagination you can probably think of other stuff that we will need.

If anyone is looking for a 1970 El Camino project vehicle, then you need to call Kent Michael at 393-2192 because he has one for sale.

If anyone is looking for a 1978 to 1982 Super Sport El Camino there is one sitting at Hanks Motors 522-5929, 47<sup>th</sup> street South and Oliver. It is \$3,995.00, looks kind of rough.

If someone is looking for a good project car then you need to contact JR and talk to him about the 1965 Chevelle convertible that he has for sale. "65 Malibu Convertible project for sale. Contact JR Dehner at 316-294-9910 or [ss396elky@yahoo.com](mailto:ss396elky@yahoo.com)" or 'JR (Harold M) Dehner' [jrdehner@cox.net](mailto:jrdehner@cox.net)

Please send me your suggestions on meeting locations, cruise destinations and luncheon locations. We will try to work them all in next year.

I do not know how many of the events that we list here in our update and our web site are still going on. So if you hear of any closures, please let me know.

They do not have a host hotel but there are two or three hotels real close that we can choose from. David Hime said that he would get us some information on them and Roger with the KC club said he we try to get something posted on their web site.

We have tried to get special rates from Hotels in the area in the past and found that a better rate could be found on line thru any number of travel sites (Hotels.com, Expedia.com, Tavelocity.com, Booking.com, etc.).

I did a little research and here is a list of the Hotels & Rates (as of yesterday) for that weekend.

Easy drive to the show, furthest to walk too. Newest Hotel in the area.

I know that it takes a little time to look up the information but I think it is a good thing to get your cars registered even if the car is not done. Please take the time to get registered.

I wanted to mention to everyone that when we are having a luncheon or meeting, you do not have to drive your special car. No one expects you to get your vehicle out in crappy weather but you can still join us and drive your daily driver. It is all for fun.
