WACO family and Friends

Web site, meeting, swap meet and FREE ice cream, see below.

This is just to remind everyone about the DQ cruise Saturday starting at 6:00 pm.

Dan and I plan on being at the DQ even if it is raining so, yes someone will be there.

We are planning on having a cruise evening at Richard's Little Dairy Queen on Saturday May 23rd. I believe that most of you know where it is, Lincoln and George Washington Boulevard. I think we are going to meet there around 6:00, yes, the time has changed just a little. There will be FREE ice cream for friends and family of members. If it turns out to be a rainy day just drive your daily driver.

We need to talk about the swap meet that is at the end of the month.

If you know anything about converting from a flat tappet cam to a roller cam please show up and share your knowledge with John Sutter and I so we can pick a cam with about the same performance as the stock one. This is for the 396 that John is working on. I know that some of you racing people know a lot that you are not sharing.

On Wednesday June 3rd, 6:30 pm, we are going to have our **monthly meeting** at Mike Howell's shop at 134 N Dowell in Wichita.

We will have some food, snacks or deserts and soft drinks. We don't know what yet but I will let you know as soon as we figure it out.

We will be practicing the social distancing and we will try to do the right thing to keep us all safe.

We have plenty of things to talk about and plans to make.

So far it looks like the MAD swap meet at the end of the month is still going on. You better get your stuff ready. I believe that WACO has a 20'x50' space #B1. Check it all out on their web site.

The Hot Rod Power Tour date has been changed to August 23rd – 29th, 2020. See below.

With Dale's help David Hime has been adding a lot of items to our Tech area on our web site. You need to go and check it out for the latest information. Look under the tech drop down tab. www.wichitachevelle.com

If you have anything that you would like to add please let one of us know.

If anyone has been working on something and would like to write up something on how they did whatever they were doing, please send it to me.

For the latest information on the 1.5 reopening of Kansas from the Covid-19 crap go to: www.covid.ks.gov.

Do not forget to register for the **Midwest Chevelle Regionals** in KC this year. I mailed in my registration weeks ago. More information below.

Is anyone interested in buying a WACO banner to display with their car? If you have seen the banner that Doug has displayed with his 66, that is basically what I am talking about. They will be around \$30. Please let me know if you are interested in getting one. They make great garage wall art.

I will try to put a picture somewhere real soon.

YES, a lot of this is the same so, SEND ME SOMETHING TO PUT IN OUR NEXT WACO UPDATE.

It is a new year so that means that most of us **need to renew our memberships**. You can renew at any of our meetings or mail a check to WACO, 7550 N Greenwich, Wichita KS 67226. Keep the club strong by renewing yearly.

I do not know how many of the events that we list here in our update and our web site are still going on. So if you hear of any closures, please let me know.

If someone is looking for a good project car then you need to contact JR and talk to him about the 1965 Chevelle convertible that he has for sale. “65 Malibu Convertible project for sale. Contact JR Dehner at 316-204-9910 or ss396elky@yahoo.com” or 'JR (Harold M) Dehner' jrdehner@cox.net

Several of our members have 64 or 65 2 door station wagons. Dale McIntosh has a new web site for those 2 door wagons.

<http://300wagons.macswebs.com/> I would like to encourage everyone to register their wagons on his site.

I know that it takes a little time to look up the information but I think it is a good thing to get your cars registered even if the car is not done. Please take the time to get registered.
