WACO family and Friends

The Swap Meet was a success as far as I can tell. There were quite a few vendors there and a respectable amount of people buying things. I do not have the final numbers on what WACO made but because of the donations from our good members WACO made several hundred dollars I am sure. Most of the members that brought parts to sell did real good also.

Several members stopped by while shopping and paid their dues, that is always good.

We did renew our spot for next year. We have a real good spot. Next year it will be held in April like it was originally scheduled for this year.

WACO Monthly Meeting – Wednesday June 3rd, 6:30 pm, 134 N Dowell, food and drinks will be provided.

On Wednesday June 3rd, 6:30 pm, we are going to have our **monthly meeting** at Mike Howell's shop at 134 N Dowell in Wichita.

We will have some food, snacks or deserts and soft drinks. We don't know what yet but I will let you know as soon as we figure it out.

We will be practicing the social distancing thing and we will try to do the right thing to keep us all safe.

We have plenty of things to talk about and plans to make.

Maybe we can get a tour of Mike and Cindy's new house while we are there.

So far we have at least 28 people that have signed up to attend the Steak Feed / Cookout.

If you would like to attend please let us know ASAP.

WACO Steak Feed – Friday June 12th, 2020, 6:00 pm Mick and Margaret Lafferty's home. Mick and Margaret Lafferty have invited WACO members out to their house this summer for a steak feed. Mick and Margaret said that they would provide the steaks and the rest of us can provide the sides, deserts and beverages of our choice. I believe the date and time of June 12th at 6:00 pm was chosen as the date. Their address is 6817 South 254th St West, Viola KS.

Attached is a copy of the last small banner that we ordered several years ago. The new ones should look a lot like the picture, only newer. 😊

Is anyone interested in buying a WACO banner to display with their car? If you have seen the banner that Doug has displayed with his 66, that is basically what I am talking about. They will be around \$30. Please let me know if you are interested in getting one. They make great garage wall art.

We will probably order a long skinny one to attach to our canopy.

A few people have mentioned that they would like to have one, are you interested?

We will probably be scheduling a "67 Project" work date sometime this week. We should be able to fire it up the next time we get together.

During the last DQ cruise that WACO had we discussed having one again in June. It will probably be on the same evening as the Draggin Douglas cruise, but maybe not.

The last one was a big success and they want us to come as often as we would like to.

Does anyone know if the Automobilia Show is still going on?

With Dale's help David Hime has been adding a lot of items to our Tech area on our web site. You need to go and check it out for the latest information. Look under the tech drop down tab. www.wichitachevelle.com

If you have anything that you would like to add please let one of us know.

If anyone has been working on something and would like to write up something on how they did whatever they were doing, please send it to me.

For the latest information on the 1.5 reopening of Kansas from the Covid-19 crap go to: www.covid.ks.gov.

Do not forget to register for the **Midwest Chevelle Regionals** in KC this year. I mailed in my registration weeks ago. More information below.

YES, a lot of this is the same so, SEND ME SOMETHING TO PUT IN OUR NEXT WACO UPDATE.

It is a new year so that means that most of us **need to renew our memberships**. You can renew at any of our meetings or mail a check to WACO, 7550 N Greenwich, Wichita KS 67226. Keep the club strong by renewing yearly.

I do not know how many of the events that we list here in our update and our web site are still going on. So if you hear of any closures, please let me know.

We have tried to get special rates from Hotels in the area in the past and found that a better rate could be found on line thru any number of travel sites (Hotels.com, Expedia.com, Tavelocity.com, Booking.com, etc.).

I did a little research and here is a list of the Hotels & Rates (as of yesterday) for that weekend.

If someone is looking for a good project car then you need to contact JR and talk to him about the 1965 Chevelle convertible that he has for sale. “65 Malibu Convertible project for sale. Contact JR Dehner at 316-204-9910 or ss396elky@yahoo.com” or 'JR (Harold M) Dehner' jrdehner@cox.net

Several of our members have 64 or 65 2 door station wagons. Dale McIntosh has a new web site for those 2 door wagons.

<http://300wagons.macswebs.com/> I would like to encourage everyone to register their wagons on his site.

I know that it takes a little time to look up the information but I think it is a good thing to get your cars registered even if the car is not done. Please take the time to get registered.
