## **WACO family and Friends**

The main thing for this e-mail is about the Wichita Union Stockyards "Cruise In" but first I just wanted to mention what a good time we had at the DQ again. We had approximately 25 people show up and we all had a good time visiting out in the parking lot.

### **Wichita Union Stockyards**

#### **Yes, the show is going on.**

Please take the time out of your busy schedules and help us promote this event by putting the information out there to your social media contacts. If we all pass the information around then we should get a good turnout.

We will be following all of the county rules in regards to Covid-19.

WACO has committed to help at this cruise in so please plan on attending.

We will not need a lot of help at this show but if you want to volunteer it would really be appreciated.

Mick & Margaret have done a good job in putting this together so let's all support our members by attending.

**We would like to see all of our members show up at this event if only for a while to get FREE coffee and a donut. So please plan on coming by even if you are not in your Chevelle.**

This event is going to be held on Saturday July 25<sup>th</sup> from 7:00 am until 11:00 am. A copy of the flier is at the end of this e-mail.

If anyone is looking for a real nice chopper then you need to contact Richard Bartel 316-631-5462. Wanted to let you all know today that I am going to sale my 04 Big Dog Chopper. Full retail is \$8,995. I am wanting \$7,500 Cash. New this bike was \$28,000. If you have seen this Chopper, you know it is like brand new. I had Matt Moore Owner of Big Dog Motorcycles replace all of the wiring. It has new tires and brake pads. I did replace the front forks when I bought it due to the insides of the forks had rusted and would not allow the seals to seal. If you know anyone interested, please share with them, thanks.
