## **WACO family and Friends**

Please do not forget to get out and vote!!!

I forgot to mention in the last WACO Update that one of our members has an El Camino that he wants to sell. Bill Washburn 316- has a very nice white 1982 El Camino, V-8 305, automatic, PS PB, A/C that he only wants \$7,500.00 for. If you attended the Wichita Union Stockyard Cruise In you would have seen it there. If you are interested, please give him a call.

Speaking of El Camino's for sale, Richard Bartel ran across this 1966 that is for sale. Just received word that this El Camino is for sale. I don't have any more information than what is stated below. Please also see picture attached. He hasn't posted out for sale just yet, so you all have first dibs.... Please also pass along to anyone you think that might be interested.

283 bored .60, factory 4 speed, Edelbrock manifold and carburetor, PB, PS, no air.

\$16,000. Contact Robert at 316-409-6015

**WACO Monthly Meeting** – Wednesday August 5th, 6:30 pm, AJ's Sports Bar & Grill. 13<sup>th</sup> and Greenwich inside The Alley.

We will be practicing social distancing and following all of the Covid rules. AJ's manager said that we would have the elevated area and that we would be able to have several tables so that we can meet all of the rules.

At the meeting the club will either buy pizza's or appetizers. When we get there we will vote on which one we want. If the majority of us want pizza then we will buy that for everyone. If the majority of us want to order their own different items then the club will buy the appetizers. You will all need to be prepared to buy your own beverages whichever way we vote. They will be some beer specials offered and a discount on some of the food items.

**DQ Cruise In** – We do plan on meeting at Richard's Little DQ again on Saturday Evening August 15<sup>th</sup> 6:30 or 7:00 pm whatever is decided at the next meeting. Once again we will have some FREE ice cream for family and friends of WACO members. We have had quite a few people show up for this fun event so make sure that you put the date and time on your calendar.

I think everyone knows that John Sutter has been working on restoring a 1967 Chevelle for the last several years. Well guess what, he took his 396 in to be rebuilt and they found a crack in the block. If anyone has a 396 block or engine that they want to sell then please contact John Sutter at 316-461-2277. If you know someone that has one, please give him a call.

## **Does anyone know about how to vote on “The Best Burger in Wichita”?**

I understand that the contest starts sometime in September and ends sometime in October. What little I know about it is that you buy a ticket for \$30.00 some dollars and then you will have 4-6 weeks to hit each of the designated burger spots, eat a burger and then put in your vote.

This might be a fun thing to do if some of our members would like to cruise around together and try them out.

If you have any more information on this, please let me know so I can check it out.

**Alva Oklahoma Show** – You have all probably heard that the 20<sup>th</sup> annual show has been postponed. Below is the information that I have.

ATTENTION BIG CRUISE AND CAR SHOW FANS!

The R.A.C.E. Club had a meeting on Monday, July 27 to discuss the impact of having the show and the risks of the corona virus to you, the club members, and the Alva community. After much discussion that included modifying versus postponing. The majority vote was to postpone the 20th Annual Big Cruise and Car Show to September 17, 18 & 19, 2021 so that we may continue with the plans to put on a large show including giving away a 1980 Corvette.

We are working on planning a cruise night for Saturday, August 22, 2020 and another SUPER cruise night on Saturday, September 19, 2020. Keep an eye on this page and our website [www.bigcruiseandcarshow.com](http://www.bigcruiseandcarshow.com) for future updates.

**Calling All Cars / Pressley Zeplin Show** – This Benefit show is still on. Saturday September 26<sup>th</sup>, 4:00 – 8:00 pm, 11910 W Pawnee, (119<sup>th</sup> Street & Pawnee).

The following article was sent to us by Kent Moxley.

Let this be a warning to you youngsters, us 80 year olds don't know what the word "slow" means. Be sure to watch to the end.

“This has been on my bucket list since I was a kid,” says car enthusiast Jay Leno, who invited the creator of Hemi Under Glass, a 2,500-horsepower Plymouth Barracuda first introduced in the 1960s, to meet Jay and demonstrate, how and why, the car "Wheelies", when the gas pedal is floored....except that the owner, Bob Riggle, sort of, lost his touch. At age 80, that's forgivable..... but riding with him is a risk too far. A link to misspent youth..... and clearly nothing fake about it. No blue screen, no post-production editing, or even photoshop..... not smart, but the real thing just the same.

If anyone is looking for a real nice chopper then you need to contact Richard Bartel 316-631-5462. Wanted to let you all know today that I am going to sale my 04 Big Dog Chopper. Full retail is \$8,995. I am wanting \$7,500 Cash. New this bike was \$28,000. If you have seen this Chopper, you know it is like brand new. I had Matt Moore Owner of Big Dog Motorcycles replace all of the wiring. It has new tires and brake pads. I did replace the front forks when I bought it due to the insides of the forks had rusted and would not allow the seals to seal. If you know anyone interested, please share with them, thanks.

Does anyone want to buy a wood chipper? 5-1/2 hp, chews up branches up to 3”, almost like new, 😊, make a reasonable offer. David G.
