## WACO family and Friends

Our last WACO meeting at the Hurricane Grill was a huge success. We had somewhere around 25 people there and the food and conversation was great. Being outside on their patio turned out real nice for everyone, I think. I would like to thank James for setting that up for us. If anyone else has any suggestions on meeting spots and would like to help set something up, please let me know.

Speaking of good meeting spots, I spoke with Mike Howell and it sounds like his shop is going to be full of house items, that he is in the process of moving and his shop will be tied up for several months.

At our last meeting Margaret Lafferty talked to many of us about the **face masks** that her sister Nancy is making. They are made with N95 approved material and she can custom make them to match your car. I think that they are only \$10.00 each.

I have attached pictures of some of the samples that she has made. She can make them in the color of your car, put the year of your car on them and she can put the WACO label on them for you. I put in an order for some to match my cars and she is putting the WACO label on them for me. If you place your order real soon maybe they will all be shipped at the same time.

You can contact Nancy at Nancy Donahey [nadonahey@gmail.com](mailto:nadonahey@gmail.com) or 785.550.6027.

We all need to get ready for the Hutchinson swap meet in October, it will be here before you know it. Let's all help spread the word that the swap meet is going on. The **Hutchinson swap meet** is going to be held as scheduled. Troy baton sent me an e-mail to let us know. He would also like our help in spreading the news.

I believe that we are going to have our **DQ Cruise night** again on the 19<sup>th</sup>. Make sure that you plan on attending.

Where and when do you want to have our next WACO Luncheon?

I think that there are more car shows that should be on our list but someone needs to remind of what they are.

Does anyone know if this is still happening? <https://facebook.com/events/s/2nd-annual-car-show/2577399569255543/?ti=cl>

**WACO Cruises** – Once the weather cools off a bit we do plan on doing some cruises. We are going to cruise to locations that are an hour or less drive from Wichita. Help us plan by sending us some more spots that you would like to cruise to as a club. They could be eating places, historical sites or just neat places to cruise to. We will try to do the cruises on the weekends so that everyone can participate that wants to. Please let me know.

**Here it is!! Information on “The Best Burger in Wichita”?**

David H. sent me some information on this. If anyone else would like to participate in this, please let me know and maybe we can do some of it together.

Check it out at [ICT Burger Battle](#)

In place of our in-person event, throughout September and October, you can visit participating restaurants and **receive a free competition burger with the purchase of a burger from their menu.** The restaurants participating include **Red Robin Gourmet Burgers and Brews, Southeast Carryout, Pour House ICT, Fizz Burgers and Bottles and Bricktown Brewery East.** The Burger Pass offer may be redeemed one time at each of the listed participating restaurants during the two months. Then, vote online for your favorite burger and become eligible to receive a free t-shirt!

**Proceeds from the Burger Pass directly support the programs and services that KETCH provides for adults with intellectual and developmental disabilities.** We are excited about this opportunity for the community to band together and support their local restaurants by eating something we all love, burgers!

I understand that the contest starts September 1<sup>st</sup> and ends October 31st. What little I know about it is that you buy a ticket for \$30.00 some dollars and then you will have 4-6 weeks to hit each of the designated burger spots, eat a burger and then put in your vote.

This might be a fun thing to do if some of our members would like to cruise around together and try them out.

JR Dehner still has a 1965 Chevelle Convertible project car for sale. I believe that you can check it out on our web site. 65 Malibu Convertible for sale. Project to say the least but still has potential... Front disc brake conversion, NOS trunk replacement panels and supports, original dash and the top does work. No engine or transmission but for some extra coinage I'll add in a rebuildable LS 5.3 liter... Located in Wichita KS... \$8,500...JR Dehner [ss396elky@yahoo.com](mailto:ss396elky@yahoo.com)

If anyone is looking for a real nice chopper then you need to contact Richard Bartel 316-631-5462. Wanted to let you all know today that I am going to sale my 04 Big Dog Chopper. Full retail is \$8,995. I am wanting \$7,500 Cash. New this bike was \$28,000. If you have seen this Chopper, you know it is like brand new. I had Matt Moore Owner of Big Dog Motorcycles replace all of the wiring. It has new tires and brake pads. I did replace the front forks when I bought it due to the insides of the forks had rusted and would not allow the seals to seal. If you know anyone interested, please share with them, thanks.
