WACO family and Friends

I spoke with several people about both the show in Inman and the MAD nostalgia Drags. It sounds like both shows were great. I was told that at the Inman show there were approximately 107 cars that showed up and at the MAD show there were over 400 cars. It sounds like everyone was really wanting to get out and attend a show.

David Hime plans on going out to Gary Osman's home / shop on Friday Oct 2nd at 1:00 pm to work on his project and do some work on the clubs starting cart. David will be using a bore scope to look at the cylinders of the engine that he bought from Kevin. If you have not seen one of these used before then you should show up and see how useful they can be. If you would like to come out and work on the cart for a while then please show up around 1:00. Gary's address is 14178 SW Santa Fe Lake Road.

Our next WACO meeting is going to be held at AJ'S Sports Bar & Grill on Wednesday October 7th at 6:30 pm. At this meeting everyone will be on their own for food and drinks. We have quite a few things to talk about so we will try to have our meeting the best that we can in this setting. Please plan on attending.

We have also been invited to a **FREE Fish Fry** on Saturday October 17th at the Beechcraft Park on Webb Road. Gerald and Alicia Allen have invited all of us to attend what sounds like their annual fish fry. They are new members of WACO and it is good of them to invite all of us to come and enjoy their annual event. This will be a good time to get our Chevelle's out for a little cruise and some food. Here is what they had to say. This is Gerald Allen my father n law and my uncle and myself are having a Free Fish Fry at Beechcraft park on Webb Rd October 17, 2020 from 2pm set up time until dark the park entrance is half block south of 13st on Webb east side of Webb. Please bring out cars if possible and empty bellies. We supply food and water and other food or drink is up to the person or group to supply. Thanks, Gerald Allen 316-210-9539

This event happens to be on the same day as our **DQ Cruise Night** and the **Draggin Douglas event** so it should make for a very interesting day.

Jayme Gabbard is looking for a few 1966 Chevelle parts. Please help him out if you can. Hello, I'm looking for a glovebox door for my chevelle. possibly a radio (doesn't have to work) and possibly the glovebox door bezel. Also I might be interested in door panels. I looked on the WACO website but didn't see anything. I'm also looking for a license plate/gas door for the same vehicle. Please let me know if anyone from the group has any of these parts. Thank you, Jayme Gabbard Jerm's Workshop [<mailto:jayme.gabbard@gmail.com>]

Does anyone know of a good automobile frame checking / straightening shop?

Anthony McCubbins, a WACO member, wants to get his frame checked and straightened, if need be, while it is not attached to the body.

If you know of anyone, or a shop, that does this then please let me or Anthony know about it.
