## WACO family and Friends

We had a great time at the Dairy Queen yesterday.

I'm sorry that I wasn't able to give more notice than what I did. Sometimes that is all that you can do.

I really appreciate everyone that took the time to show up. We weren't there very long, maybe an hour but we had a good time and got some great pictures.

See [http://wichitachevelle.com/events/2020/dq/2020\\_dq.html](http://wichitachevelle.com/events/2020/dq/2020_dq.html) for photos.

I hope to see all of you at the cookout this Saturday.

For your information we will be in an open air pavilion and trying to practice social distancing so please get your really cool auto's out and join us for a good time, food and friends.

We will be running out of good weather real soon so you better take advantage of it now.

I also wanted to remind everyone know that at the Fish Fry there will also be **Fried Chicken**, salad, beans, cake and pie. There will be water to drink unless you bring something yourself.

We have been invited to a **FREE Fish Fry** on Saturday October 17<sup>th</sup> at the Beechcraft Park on Webb Road. Gerald and Alicia Allen have invited all of us to attend what sounds like their annual fish fry. They are new members of WACO and it is good of them to invite all of us to come and enjoy their annual event. This will be a good time to get our Chevelle's out for a little cruise and some food. Here is what they had to say. This is Gerald Allen my father n law and my uncle and myself are having a Free Fish Fry at Beechcraft park on Webb Rd October 17, 2020 from 2pm set up time until dark the park entrance is half block south of 13st on Webb east side of Webb. Please bring out cars if possible and empty bellies. We supply food and water and other food or drink is up to the person or group to supply. Thanks, Gerald Allen 316-210-9539

I will send out information shortly for our plans on attending the Hutchinson Swap Meet. As far as I know it is still on.

Get your parts ready to go, it will be here before you know it.

Jayme Gabbard is looking for a few 1966 Chevelle parts. Please help him out if you can. Hello, I'm looking for a glovebox door for my chevelle. possibly a radio (doesn't have to work) and possibly the glovebox door bezel. Also I might be interested in door panels. I looked on the WACO website but didn't see anything. I'm also looking for a license plate/gas door for the same vehicle. Please let me know if anyone from the group has any of these parts. Thank you, Jayme Gabbard Jerm's Workshop [<mailto:jayme.gabbard@gmail.com>]

Does anyone know of a good automobile frame checking / straightening shop?

Anthony McCubbins, a WACO member, wants to get his frame checked and straightened, if need be, while it is not attached to the body.

If you know of anyone, or a shop, that does this then please let me or Anthony know about it.
