WACO family and Friends

I just realized that we are running out of time to pre-register for the **Hobo Happening**. David Hime sent me the form so I am passing it on to everyone. I hope that you can open it. You need to get it filled out and in the mail immediately to save \$5.00. We had a good turn out last year so I hope we do again this year.

The image shows a registration form for the Hobo Happenings Car Show. At the top left, it says 'douglass, ks' above the word 'HOBOS' in large, bold, red letters, with 'HAPPENINGS' in smaller letters below it. In the center is a cartoon illustration of a hobo with a beard, wearing a red cap and overalls, holding a pitchfork and a cup. To the left of the illustration, it says 'Questions: 316.644.5596' and 'jjenni9002@sbcglobal.net'. To the right, it says 'FREE - Ham and Bean Feed', 'Coffee, Hot Chocolate', and 'Cornbread'. Below the illustration, it says 'car Show' in large, red, stylized letters. At the bottom left, it says 'November 21, 2020' and 'Douglass, KS'. On the right side, there are several lines for registration information: 'Name _____', 'Address _____', 'City/State/Zip _____', 'e-mail _____', 'Year _____ Make _____', and 'Model _____'. Below these, it says 'Registration 10 am-1pm Day of the Show \$20.00' and 'Pre-registration by 11/10/2020 \$15.00'. At the bottom right, it says 'Mail To: Ed Jennings, 608 South Walnut, Douglass, KS 67039'. On the far right, there is a vertical line of text that says 'Facebook.com Hobo Happenings Car Show'.

Last year we all gathered at the East end of the main road that meets in the center of the show. It was a good spot and we all got to park together. I think that you can come in that way if you move a barrier to get in.

We had a good time at the Hobo Happening last year so I hope that we can do that again this year. The show will be the weekend before Thanksgiving so that should put it on November 21st. From what I understand it is still going on. Please let me know if you find out something different.

I spoke with Richard at the **Dairy Queen** and he said that Friday was his last day to be open for the year. He really appreciated the picture / plaque that David Hime presented to him at the Thursday night DQ cruise in. I hope that most of you that were not able to attend sent him a birthday card to thank him for all of the discounts that he gave us this year.

David H. and I think that our DQ cruises were a real success this year and we hope that everyone wants to do them again next year.

The **WACO Christmas Party** will be held at Spears this year on Saturday December 12th at 5:30 pm. They will section us off a part of the restaurant so that we will have a semi private area. We will have some type of gift exchange, either white elephant or regular gift exchange. We will discuss this at the next meeting.

I have attached a note from Becky about the Christmas Party and the menu.

We are going to need a list of everyone who plans on attending this year so we can let the restaurant know ahead of time. Please put the party on your list of things and plan on attending. We will start putting this list together real soon. I will keep you informed.

Should our Christmas Party and our December meeting be the same thing combined?

Because of the Covid crap that is going around our last few things that we meet together for, luncheon, Dairy Queen, WACO meeting, we have not had many people in attendance. Because of the light attendance we are concerned about the attendance at our Christmas Party. We cannot meet for this party where we usually do so we are doing the best that we can with meeting at Spears. I hope that you will all be able to attend. More on this later.

At our next meeting we need to talk about our **facebook** stuff for WACO. Right now WACO has two facebook pages, one is private (members only) and one is public. We need to decide if we need both or not. I can see both sides of the issue. If we are going to keep one or both then we need to keep them current and clean up the private one and get rid of anyone that is not a member, family or good friend. Anyway let's talk about it at our next meeting.

I have attached a copy of the minutes of our last meeting that Becky was nice enough to send out. See them also on our website at http://wichitachevelle.com/minutes/2020/2020_11.pdf
