WACO family and Friends

Good news, we are going to have our first **WACO meeting** of the year on **Wednesday March 3rd at 6:30 pm at Mike Howell's** new house. His new address is **11400 E. Douglas**. It is right next to his garage where we have met at numerous times. It will be easy to find since it is right next door. I hope to see all of you there. A few munchies and water will be provided by Mike and Cindy.

We will have a few Chevelle calendars for sale at the meeting. It will be a great time to order your banners for that man cave or for car shows. You can order everything while paying your dues. 😊

One of our members needs your help in finding two 15"x7" original style rally wheels for his 72 Chevelle. Ron Fleming 316-650-1832 or fleming@sktc.net would like to buy two of these wheels or borrow them for a race on June 12th. It is going to be a Vintage Car Race put on by Hot Rod Sanctuary and will be held at Mid America Dragway. All of the cars must be from 1972 or older and must appear in stock condition. So if you have a couple of these wheels please contact Ron.

This sounds like it should be a real fun event so you better start getting your car ready.

More information on this event later.

The WACO Luncheon was a big success at Walt's on Thursday. We had 16 people there, the food was good and the BS was even better.

More good news. Within the next week or two we will have new **WACO decals** for all of our members. I believe what we have decided to do is to give two decal (one full color and one in white) to each member when they renew their membership for 2021. If you have already paid your membership for 2021 then I will mail you your two decals. If you want more than these two free decals you can buy them from WACO at \$3.00 each or two for \$5.00. Any more than two are \$2.50 each.

We will also have **WACO banners** for sale. Once again what I believe we are going to do is to sell them for \$35.00 each. We should have a choice of a 24"x48" banner, a 12"x72" banner or a 8"x48" banner. Some of the ones that we will have will be for WACO to use but all sizes are for sale at this time.

I know that some of you have requested banners in the past so please help me out by reminding me of what it is that you wanted. I have notes somewhere but I am not sure where that somewhere is. 😊

Please let me know what you want ASAP so that we can make sure we get one for you.

David Hime, our illustrious president, has just recently posted many upcoming car events on our web site. Please check them out and get ready for a great year.

Failure should be our teacher, not our undertaker. Failure is delay, not defeat. It is a temporary detour, not a dead end. Failure is something we can avoid only by saying nothing, doing nothing, and being nothing. ~ Denis Waitley

Do not forget that there is going to be a swap meet in May in Hutchinson. Get your stuff ready now.

Go to your favorite merchant to get your 2021 "Cruzin 21" car show magazine or go to our web site for most of the information you will need.

I am sure that all of you have businesses that you like so:

If you have any businesses to add to our list of local suppliers please send them to David Hime or I so we can get them added to the list. We have a nice list started but I am sure that there are more suggestions. Here is your reminder.

David Hime, with Dale's help, has started a new spot on our web site.

<http://www.wichitachevelle.com/services/index.html>

You will find it under "Sponsors / Services and it is called "Local Services". We do not have much under it so far but with your help we can get some names listed. If you have a favorite shop that you like to use, a favorite parts store, a restoration shop or just about anything car related that you would recommend that others use then please send the information to David Hime at A T & T Yahoo Mail dhime@sbcglobal.net or give him a call at 316-371-7100. He will need the name, address, web site and phone number of the business you would like to list. Give him whatever information that you have. It could be a good place that you buy from on the internet if you have one to recommend. This could be helpful to all of us.

This is a reminder for you to send a picture of your car to Mick.

Mick Lafferty needs our help. He is going to decorate his garage / man cave and he would like pictures of members cars to do that with. Please send Mick a picture of your car that he can have printed so he can display them around a really cool hood that he has. I think that is what he is going to do. He is going to put the WACO logo in the middle of the hood and then put the pictures around it.

You can either mail him an 8-1/2 x 11 picture or e-mail him a picture that he can print out.

His e-mail is 'Michael Lafferty' laffertymd@outlook.com or 'margaret.lafferty@hotmail.com'

Or mail to him at 6817 S 254th St West, Viola KS 67149.

I would like to have a picture of your car also, so please copy me in at degohring@outlook.com.

It is great to see that some of you are already mailing in your **yearly dues for 2021**. Most of our members renew their membership in the first quarter of each year. We will get past all of this covid crap and get back to doing a lot of car activities. Thank You for keeping your interest in WACO and all of the things that we try to do.

Mail Your \$20.00 to WACO 7550 N Greenwich Wichita KS 67226.

If you want any extra decals or banners please include that on your check and a note saying what you want.

If you have anything that you want me to put in the WACO Update, please send it to me and I will put it in for you.

That is all for now.

I hope to see all of you soon.
