## **WACO family and Friends**

**Banners:** I am going to place our order on the WACO banners on Monday 03/08/2021. If you want one please send me an e-mail or call me so that I can put you on the list.

I have attached pictures of basically what they will look like.

Just FYI, the 8"x48" one can be displayed at car shows by hanging it under your hood. The 12"x72" ones will be good to hang from any tent that you may put up for shade. The 24"x48" ones are great for wall art in your man cave, in your garage or to display by your car at a show or event. More information below.

**DECALS:** The 3" full color and the 3" white decals are on order and I should have them in another week or so. I will mail them out to paid up members shortly after I receive them. If you want any extras, please let me know. More information below.

We had a very good time at our Wednesday evening meeting. Mike & Cindy are great hosts and provided cookies and water to all. I forgot to count how many people were there but I think it was 16 to 18. Good turnout.

We did have a lot of things to talk about, luncheons, car shows, Midwest Chevelle Regionals, fish fries, steak feeds and much more. You should have been there.

Mick & Margaret Lafferty have volunteered to do a steak feed again this year on June 12<sup>th</sup>, which will be a lot of fun like it was last year. Gerald Allen let us know about the fish fry that they are going to do again this year on September 25<sup>th</sup> at Beech Lake. We had a good turn out last year and we all had a good time.

**Chevelle Calendars:** We have a few Chevelle calendars commemorating the 1971 Chevelle for sale. There is a very, very limited supply so if you want one please let me know ASAP. They are only \$20.00 each and they look great. Dale always does a good job on his calendars.

David Hime, our illustrious president, has just recently posted many upcoming car events on our web site and I have listed them below. Please check them out below, or on our web site and get ready for a great year.

It will be a great time to order your banners for that man cave or for car shows.

You can order everything while paying your dues. 😊

*We are all in this together; we are not nearly as right as we think we are and others are not nearly as wrong as we would like to believe. ~ Pat Bailey*

*You really can't find your purpose without knowing your voice. ~ Shabnam Mogharabi*

Ron Fleming has been trying to keep me updated about all of the things that are going on this year at the Mid America Dragway M.A.D. There are a lot of fun things going on at MAD this year including a race sponsored by Hot Rod Sanctuary. There is more information below but you should be able to go to the MAD website for the latest information on everything.

**There is a lot of new information below.**

**I am sure that all of you have businesses that you like so:**

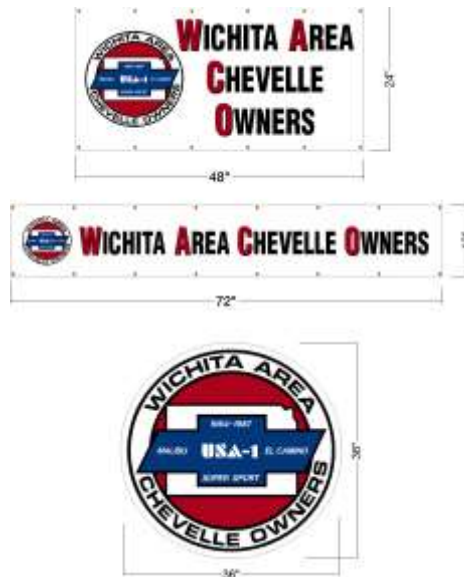

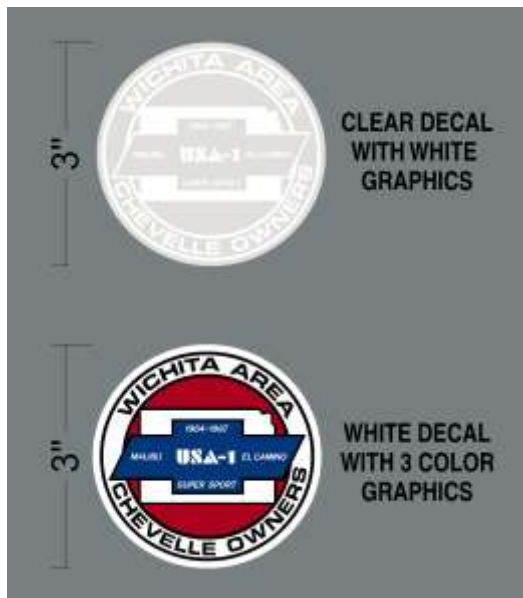

If you have any businesses to add to our list of local suppliers please send them to David Hime or I so we can get them added to the list. We have a nice list started but I am sure that there are more suggestions. Here is your reminder.

David Hime, with Dale's help, has started a new spot on our web site.

<http://www.wichitachevelle.com/services/index.html>

You will find it under "Sponsors / Services and it is called "Local Services". We do not have much under it so far but with your help we can get some names listed. If you have a favorite shop that you like to use, a favorite parts store, a restoration shop or just about anything car related that you would recommend that others use then please send the information to David Hime at A T & T Yahoo Mail [dhime@sbcglobal.net](mailto:dhime@sbcglobal.net) or give him a call at 316-371-7100. He will need the name, address, web site and phone number of the business you would like to list. Give him whatever information that you have. It could be a good place that you buy from on the internet if you have one to recommend. This could be helpful to all of us.

More good news. Within the next week or two we will have new **WACO decals** for all of our members. I believe what we have decided to do is to give two decal (one full color and one in white) to each member when they renew their membership for 2021. If you have already paid your membership for 2021 then I will mail you your two decals. If you want more than these two free decals you can buy them from WACO at \$3.00 each or two for \$5.00. Any more than two are \$2.50 each.

We will also have **WACO banners** for sale. Once again what I believe we are going to do is to sell them for \$35.00 each. We should have a choice of a 24"x48" banner, a 12"x72" banner or a 8"x48" banner. Some of the ones that we will have will be for WACO to use but all sizes are for sale at this time.

I know that some of you have requested banners in the past so please help me out by reminding me of what it is that you wanted. I have notes somewhere but I am not sure where that somewhere is. 😊

Please let me know what you want ASAP so that we can make sure we get one for you.

It is great to see that some of you are already mailing in your **yearly dues for 2021**. Most of our members renew their membership in the first quarter of each year. We will get past all of this covid crap and get back to doing a lot of car activities. Thank You for keeping your interest in WACO and all of the things that we try to do.

Mail Your \$20.00 to WACO 7550 N Greenwich Wichita KS 67226.

If you want any extra decals or banners please include that on your check and a note saying what you want.

If you have anything that you want me to put in the WACO Update, please send it to me and I will put it in for you.

That is all for now.

I hope to see all of you soon.
